Everybody wins with AimPoint

After going through the AimPoint Green Reading education, you will never again have to guess at how much a putt breaks. **Any putt!**

Learn that putting is predictable and discover the most effective and reliable ways to determine the direction and precise amount of break for any putt, all based on gravity.

To be a winner join us for our Aimpoint Read and Speed Clinics:

April 17th

4-6 pm

\$175 per person

May 4th

3-5 pm

\$175 per person

[Book now](#) and never have to guess again.

This is why we do it

Why do we get our kids involved in coaching at RNGA?

They learn life skills.

From learning socializing with peers; to being able to speak in front of groups. Not to mention everything in between that they learn while having fun with their friends!

Congrats to RNGA students

Congratulations to both Abigail Achord and Logan Heltz for winning their divisions at the U.S. Kids event at Beau Chene.

Well played!

Congratulations goes to **Quinn Garcia** for grabbing 2nd place at the Wetlands Arrowhead event shooting 73/75.

We are very proud of you!

Summers can be long

What are the kids doing?

If they really like being with friends and socializing - why not get them into golf?

A lifetime of exercise and friends!

Sign up for our summer camps before the fill up.

Time: 9 am - 12 pm

\$275 per student

Ages: 4 - 16

June 18-21

July 9-12

How are we doing?

The new Fitting/Putting studio has come a long way and is looking good so far...

[Start improving now >](#)

Testimonial Tuesday

"Coach Nic, I wanted to let you know how much I appreciate you working with Samantha. You coach her with a supportive and positive demeanor. You went above and beyond the call for her when you showed her how to prepare for a tournament. The lessons you taught her on the course about

course management and how to "play the game you have that day" will serve her well this summer and beyond! Thanks for supporting her on her journey!" ~ Mike Schultz

Where can we help improve your game?

[Contact us](#) - we can help!

Everyone wants forgiveness

Take it where you need it

If you describe yourself as a good or solid ball striker, these two shots still provide you with different challenges. You don't need forgiveness in your irons on the one, but the longer #5 or #4 iron shot will test your skills and consistency.

If you're consistent throughout your set, then a better Players Iron (more compact, possibly forged) is a great choice. If you start to lose consistency in the mid-irons, then consider blending two iron models through your set. A Players Iron for the shorter irons, and a more forgiving model for the mid and longer irons.

The shorter irons can be compact with a CG that is a little higher, and closer to the face, with limited launch assistance.

The mid to longer irons can be a different model: one that offers a larger hitting zone and a little more launch assistance.

It's about the distances

If you want to blend two different models into one set, then it's not about the numbers on the sole. It's about the distance numbers you hit each club. As well as finding the perfect fit, we want to make sure you have each distance base covered.

The best for you

An improvement changing your game

If you want to go from experiencing an average golf game to a better golf game, where you take more frustration-free walks down fairways and then step with an excited bounce towards a green full of opportunity after a sweet approach shot:

Then often a small change, from steering the golf ball to releasing the clubhead through the golf ball, results in:

Certainly extra distance. More than you might imagine. A surprise to everyone you play with.

Definitely straighter tee shots and approach shots. More fairways from the tee. More greens on approach.

More solid, more consistent ball striking. More satisfaction at the end of every round.

Forget winning. Forget trophies. Hitting better golf shots makes the whole world a better, happier place. Golf should be the therapy for life!

Get a better experience

What would cause you to smile more often on the golf course? What would give you cause for celebration? If “greater consistency” of ball striking will help deliver a smile or celebration,
