*Greetings from your DGC Team | Bringing your club closer*

**We would like to welcome the new Durbanville Golf Club Committee Members.**

*2019 Committee Members*

**This is your Captain speaking...I've always wanted to say that!!!**

Jokes aside, from myself and the rest of the new committee elected, a huge thanks to the confidence you showed in electing us. We will endeavour to steer the club for the next two years to the best of our abilities and always make every decision based on what is best for our Club, its members and staff. We cannot claim to have all the answers, but with the wealth of knowledge and expertise in the Club that we can rely on, I am sure that we will ensure that the Jewel of the North shall prosper well into the future.

Let me introduce you then to the rest of the committee:

**Vice-Captain:** Florence Harding

**Hon Treasurer:** Glen Collins

**Hon Secretary:** Leonie Swart

**Greens Chair:** Anton Bezuidenhout

**Match & Handicap Chair:** Mathew Herbert

**House Chair:** Tobie de Jonge

In the absence of nominations, the marketing portfolio is vacant for now. I am confident that management can handle this portfolio, and with Florence that has previously handled this we will be able to monitor the portfolio. If the need arises, we could co-opt a marketing person to the committee.

Considering the need for better communication from committee and management that arose from the AGM, we will now release a quarterly summary for members to follow the financial position of the club. The first set will be released on the **20th of June**. Further to these we will hold information sessions throughout the year, with the first one to be held on the **25th of June** at 6pm at the Clubhouse. We invite all members with questions, feedback and suggestions to attend. Reminders of the sessions will be sent out closer to the time.

I am sure by now that everybody has noticed the flurry of activity on the course. Chris, together with Anton, will give you greater detail, but we are well on our way with the fourth phase of the irrigation upgrade as well as the much-needed upgrade to the bunkers - an issue was that once again mentioned at the AGM.

Plans have also now been finalized for the long-awaited upgrade to the Clubhouse, specifically to the downstairs area and the locker rooms. Quotes have been received and we are busy to complete the necessary process to

have been received and we are busy to complete the necessary process to get these approved and will inform members shortly of the progress in this regard.

Please feel free to contact your committee and management with any feedback or suggestions - we are there for you!

Yours in golf,

**Regardt**

## Seniors' Society news

### Seniors' League

With several enforced changes due to unavailability, the Seniors' League team came unstuck at Strand where a hitherto winless Stellenbosch outfit won 4-1. Deon Minnaar and TJ Lee got the team off to a winning start but behind them it was less good news. Pieter van Wyk and Winston Heunis went down 3&1 before Bob Rees and Bert Vos lost 3&1.

This was their first defeat as a pair and came against a 79 year old who played quite superbly to shoot a gross 72 off his 7 handicap. Neil Rix and Jan Horn had a nip-and-tuck match only to lose on the 18th hole. Gordon Simmons, back from injury, and Allan Kearsey also came second.

The next match on **10 June** at Stellenbosch is the last before the winter break. Let's hope we can get back on the winning trail then.

Yours in golf,

**Bob Rees,**

*On Behalf of DGC's Senior Society*

## League news

Can you believe that it nearly half way through the year already? From a golf perspective, this means it is time for the annual **Wellington Boot Inter-club Challenge** and also the start of the much anticipated **Winter Pairs Knock-Out**.

The Wellington Boot will be hosted by Durbanville Golf Club and will be the 49th playing of the competition. Wellington won 'The Boot' last year which means that DGC must pull out all the stops to bring it home!

Entry sheets for both the Wellington Boot as well as the Winter Knock Out are available on the members board. Please put your names down if you are interested in playing in either competition.

**The Harry Solomon** team got off to a fantastic start in May when they beat Rondebosch 5 - 3. Unfortunately, subsequent games against Somerset West and KD Mowbray were lost. The team finds themselves in 4th place with two games remaining. The club wishes the team the best of luck in

coming games and looks forward to seeing them move up the table!

## Handicaps News

May 2019

No one really likes change and while we are pleased that the major changes to the Handicap System are behind us, there are, however, still a few less disruptive ones to come.

This month we provide you with a broad overview of the current GolfRSA Handicap Rules and then highlight the changes planned to be introduced in October 2019, followed by the final changes to be introduced in January 2020 to comply with the World Handicap System launch.

...something to make you smile!

## I didn't miss

## Could you save 5 shots per round?

### A simple test to benchmark your putting setup

The jury is out on this one. The evidence shows that, if one is more important than the other, then it's marginal. We think this myth has come about as the industry tries to educate golfers that weight is very important.

And it is.

If the angle of your putter face is just 2° out at impact then,

even from just 6 feet you're  
going to miss.

If you miss most putts in the 6 – 12 foot range then the chances are you have a face angle challenge. For most, that problem starts at the address position. Benchmark your skill level:

### Get a check-up

Improving your ability to square the putter face at impact will take up to 5 shots off your scorecard. There are some simple keys to that improvement. So come and see us.
