## A Golf Digest Top 100 Fitter

**At Grapevine Golf Course  
May 24 and 25, 2019  
9am - 5pm by Appointment Only**

The Golf Station's mobile fit cart offers an experience that until now, could only be experienced by PGA, LPGA and web.com Touring professionals.

**Containing over 100 heads and over 300 shafts**, this cart is unmatched anywhere. Our experience and contacts within the industry have allowed us access to equipment other retailers cannot match.

Our cart contains heads from all major manufacturers including **Titleist**, **Callaway**, **PING**, **TaylorMade**, **Cleveland/Srixon**, and **Mizuno**. And for

something unique, we have heads from Japanese manufacturers such as **Yonex, Epon, Miura, and Fourteen**. These Japanese heads are found at very few retailers in the United States. We haven't forgotten about left-handers; the cart is stocked with several brands of southpaw equipment.

The key to what we offer is state-of-the-art shaft technology. Finding the right shaft is the most critical part of the club equation. We provide multiple shafts with different bend profiles from no fewer than 11 different manufacturers. They include **Accra, Aerotech, Fujikura, Graphite Design, KBS, Nippon, Oban, True Temper, UST Mamiya, VA Composites, and Yonex**, to name some of our best selling and most commonly requested manufacturers.

The final piece to the puzzle is **TrackMan**. Technology generally reserved for the best players in the world. TrackMan allows us to measure essential data such as launch angle, ball speed, backspin, and much more to assist us in fitting you for the ideal set of clubs.

There is nothing wrong with buying clubs off the rack for many golfers. They are blunt tools that allow a golfer to simply play. But if a golfer is looking for something more, clubs built to exact specifications based on the individual's swing, clubs that are precise instruments instead of blunt tools, we can make that happen.

We are one of Golf Digest's top 100 fitters in the country as seen in the December 2018/January 2019 issue. This is the level of service and expertise we will be bringing to **Grapevine Golf Course**. We will be fitting from **9am to 5pm on Friday and Saturday by appointment only**.

There will be a fitting fee of **\$150** Irons, **\$150** Woods, **\$150** Putters or **\$350** for a full bag.

For further questions or to book your fitting, please call  
The Golf Station at **817-595-4653**.
