**One in a thousand
What's your number?**

Splitting the fairway. Hitting the green from 150 yards. Holing a 10-foot birdie putt. These are the magical moments that make us love the game.

There's a lot that goes into moments like these. And in terms of fitting, there are over a thousand potential setups for every golfer.

- 9** Different **SHAFT LENGTH** options.
- 2** **SHAFT TYPES:** 1 graphite, 1 steel.
- 3** **SHAFT FLEX** options on each shaft type.
- 12** Different **LIE ANGLE** options.

Regardless of your skill level, even the latest clubs will make it tough to consistently hit good shots if they aren't setup for you. But when they are, those magical moments become more frequent. When you're back at the course, come speak to us about a fitting, or you can also

Give the gift of golf The start of a special journey

When children learn how to play golf from a young age, they're more likely to fall in love with the game. And by developing a good swing as a junior, the game becomes a lot easier as an adult. It could be the start of a lifetime journey.

Once we get back to having the juniors play regularly, we want to help them find their full potential.

Setting kids up for life

As you know, golf is largely a mental game. It tests your patience, focus and perseverance. That's part of what makes golf so rewarding. For children, this helps to develop their self confidence. And that has benefits that go far beyond golf.
