THE CLUB

Dear Member,

It has been a goal of ours to play more frequently with members, on different days, and this past weekend, I was fortunate enough to play with the Ratpack. If you don't know who the Ratpack group is, they occupy the seats around the main bar, every Saturday, and it is always someone's birthday! I would like to thank Arries, as the captain and my playing partners Lodi, Bruce and Jim. I thoroughly enjoyed the spirit and comradery within the group. I also wanted to make special mention of Mike Burt, in the photo below, who we see walking with the Ratpack, on most Saturdays, and he assists with filling divots, fixing pitch marks and raking bunkers. As an interesting fact, Mike emptied about seven sandbags on just one nine and raked a lot of bunkers, which was left unraked by players. It was great to see his enjoyment of the game, despite not playing, and I wanted to thank Mike for his efforts.

With over 2 400 members in the Club, it is difficult to get to know everyone, especially new members. A game of golf is a great way to get to know our members, hear feedback and share information about the club. If you would like to invite the Captain, myself, Albert or Rikert for a game, please let us know.

Happy golfing

Francois

MASTERS WEEKEND

The Masters weekend was again well supported by all players. This is really a big highlight for all members and we had a total of 394 players in the field. The scoring made it very interesting, some Par 5's were played as Par 3's on the scorecard, but some Par 3's were played as Par 5's, so on some holes it was very difficult to make points, but there were opportunities to make up for those tough holes. Here are a few fun stats from the weekend's Masters:

- 0 pointers: 1104
- 5 pointers: 235
- 6 pointers: 24
- 7 pointers: 3

Well done to all our winners on the day and thank you for your support.

Congratulations to Jonathan Bell for winning the 2021 Masters. A great score of 45 points on Firethorn.

RULE OF THE WEEK

Rule 9 of golf is probably the most important and well-known rule in golf and covers a central principle of the game: ***Play the ball as it lies***. We are all familiar with the saying as it is normally the first thing someone will mention to a fellow player on the course when they ask for a ruling. Rule 9 of the R&A Rules of golf covers the whole rule, from the ball moving during your backswing all the way to lifting or moving a ball during a round. The Rule is broken down into seven points:

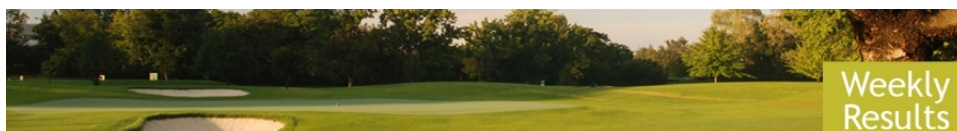

1. Ball played as it lies
2. Deciding whether the ball moved and what caused it to move
3. Ball moved by natural forces
4. Ball lifted or moved by a player
5. Ball lifted or moved by an opponent in Matchplay
6. Ball lifted or moved by outside influence
7. Ball-marker lifted or moved

Below is a short summary of the rule:

- If the player's ball comes to rest and is then moved by natural forces such as wind or water, the player normally must play it from its new spot
- If a ball at rest is lifted or moved by anyone or any outside influence before the stroke is made, the ball must be replaced on its original spot
- Players should take care when near any ball at rest, and a player who causes his or her own ball or an opponent's ball to move will normally get a penalty (except on the putting green)

For full clarity on Rule 9, please [click here](#).

In the past, we have asked our members to do a quick quiz on the R&A website and provide us with some feedback. These quizzes are loads of fun, and there are three difficulty levels: Beginner, Intermediate and Advance. [Click here](#) to give it a go and see how well you score. The results might surprise you.
