## From Pierre's Desk

### The Monthly Medal Series just got serious

*Nike sponsors the Monthly Medal*

I am so excited to announce that Nike has come on board as a sponsor for our new Monthly Medal series. As from March, our **winner and top 5 golfers** in our monthly medal will get a **points allocation**, like they do in the **FedEx Cup and Race to Dubai**. There will be an accumulation of points until our final event in **November**. The overall winner will receive a **full kit of Nike clothing and footwear**. Nike is one of the leading brands in the world and their clothing and footwear is the best in the golfing market at the moment. They look after golfers like Tiger Woods, Rory McIlroy, Brooks Koepka, Jason Day and many more.

I would like to thank the Nike team for their commitment to San Lameer and our members.

I think this will add tremendous value to our monthly medal and is a massive step up from our current offering.

#### **Points allocation will be the following:**

- Winner – 50 points
- 2nd Place – 30 points
- 3rd Place – 25 points

4th Place -20 points

5th Place – 15 points

There is certainly more incentive to enter our monthly medal every month.

I will use our newsletter and social media to update our members every month of the leader board. It will be easy to keep track of your progress and to see who you are up against for the race to the final in November.

Just do it, and join us every last Wednesday of the month.

As always, the roads this Easter Weekend will be very busy. Please take your time and travel safely on your way down to San Lameer. We can't wait to have you here with us, so take your time and make sure you get here safely. There is not a better place to relax, put your feet up, and enjoy the time with your friends and family.

Happy golfing,

**Pierre**

## One fitting. Many moments of joy.

*From tee to fairway to green, you have many opportunities to experience joy. Whether it's splitting the fairway with your driver, setting up a birdie putt on a long approach, holing out with your wedge, or sinking a 10-footer. When you're playing with fitted clubs, you're going to experience moments like this more often.*

## Take advantage of technology

New technology is making the game easier and giving more golfers access to more moments of joy. But no matter how brilliant the technology is, if it isn't fitted to your game, you're not getting everything it has to offer.

A better life for our children

*We all want our children to be happy, healthy and safe. Golf provides the ideal environment for this, while also giving them a skill they can benefit from for the rest of their lives. And the earlier a child gets into golf, the more easily they pick it up and the longer they benefit.*

## Developing healthy children

Golf develops body and mind. Physically, it helps children develop coordination, balance and flexibility while psychologically, it develops patience and focus. Not to mention, the social nature of the game creates many opportunities to form friendships.
