Operation 36 Tournament Results

The Rob Noel Junior Academy had an Operation 36 tournament on Sat, November 17th at Money Hill.

We had a terrific turnout and some great champions.

Kati Albright logged overall low score of 33

Gavin Davis secured the Junior Elite Champion of the Year by beating Logan Heltz in a sudden death playoff.

Annie Mitchell grabbed the 2018 Ignition Champion edging out many players by just one shot!

Braxton Patterson claimed Jr Ignition Champion by winning a sudden death playoff against Oliver Pabst. This is Braxtons 2nd Op 36 Tournament in a row raising the trophy.

Thanks to all that participated and if you would like to learn more information **please contact Nic Drezins at (504)813-3363.**

What people are saying about us...

...We love to hear about your successes, so please don't forget to let us know.

"Your analysis was quick and to the point. I have tried to use what you taught me over the last week and have noticed a huge difference in contacting the ball. I know it'll take time, but I've noticed a twenty-yard increase in my drives. Thanks a lot." ~ **Bob Duhe**

What an opportunity!

Money Hill is turning 20 - what does that mean for you?

[To read all the details click here](#)

Money Hill Golf & Country Club is offering people the opportunity to join for half of the regular joining fee.

But that's not all.

Anyone who visits with Money Hill GM Stephen Christopher to take a tour and discuss becoming a member, during this special promotion, will receive **25% off their first lesson at the Rob Noel Golf Academy.**

Questions?

Choose THE 1 in a 1,000

For shorter shot accuracy

If I told you that the impact on accuracy is far greater on a shorter iron than a longer iron, would that make you take more notice of your lie angles?

Put a #4 iron on the ground. Raise the toe. Now imagine a straight line squarely leaving the sweet spot. Notice how its going left of target. Now do the same with a #9 Iron and check the line leaving the sweet spot. Whoa. Much further left.

You've made a great swing but, if the lie angle on your #9 iron is 2° too upright, then you're going 15 feet left of your target. What is often 15 feet left of target when you're aiming at the green? Too right? Sand, rough, or even water. A great swing spoiled.

Hitting more great shots doesn't start with equipment. It starts with an assessment of your game; your athletic dimensions; and your golf swing.

We want you to hit more great shots

Let us help you hit more great shots. Let us check out your lie angles. Get that right, and you'll be amazed at how much more accurate you are.

This applies to all golfers. Why waste a great swing?

Which golf ball for your game?

Chrome Soft

The most technology in any golf ball we carry.

Supersoft

The lowest compression ball that's super long.

Callaway wedge and ball flight

Forget what you think you knew

Most golfers think that the way to create more spin with their wedges, is to hit it higher. Last week we explained that the key to creating more spin is spin loft. If you missed that article, [click here](#).

Both will give you help create an ext

es off the driver to or spin and control

Launch monitors have proven that trying to hit higher wedge shots does NOT create more spin on the ball. Hitting higher wedge shots just makes distance harder to control.

There are a variety of reasons why an exaggerated angle of attack will NOT create more spin on the ball.

We've learned so much from studying launch monitor data. We now know exactly how to help you hit lower, but higher spinning wedge shots.

Come and learn to control ball flight

Being able to shoot the ball in with a slightly lower trajectory and the spin to check the ball quickly, makes distance control so much easier.

Come and learn how to play this shot.
