## Feel the thrill

### The sweet spot matters

One of the best feelings in golf is when you make contact in the “hitting zone” with your driver. It’s an exquisite moment. There’s satisfaction in watching the ball speeding down the fairway.

It’s not easy though. You’re swinging the club with the longest shaft. The ball might be teed up, but it’s going to be over 40 inches away from where your hands are gripping the club. It used to be you had to find the sweet spot in a much smaller head. Now the head and face are larger, and the manufacturers work to extend the hitting zone.

## We're delivering thrills

Our passion is helping you experience the thrill of contact out of the hitting zone. If you're looking for more thrills, come and spend 30 minutes with us.

## The best for you

### Why make this journey?

We want to help as many of you as possible find new levels of joy and fulfillment from your golf. Experience that sweet moment, when you make perfect contact and the ball flies high and long, and you know why you come back again.

We want more smiles. More times that you follow your shot and think "How cool is that!". More moments of joy. More causes for celebration.

*If inconsistent ball striking  
blights your game*

*let us improve your ability to  
make solid, square contact.*

## Get a better experience

What would cause you to smile more often on the golf course? What would give you cause for celebration? If “greater consistency” of ball striking will help deliver a smile or celebration,
