## Looking back...

EOGA has been busy this month!

### EOGA Steenberg

EOGA Steenberg hosted a **Ladies Christmas Activation** day as an initiative **Target 36**. The purpose of Target 36 is to use a vehicle implemented to grow golf in SA. The goal is for the players to play 36 shots or less over 9 holes. For the juniors, they start at the 25m Tee Box and work their way up. This great initiative will prepare the players to be fully ready when they want to join a club or play on the course with confidence. Soon all our sites will be equipped with the Target 36 vehicle.

Our coaches were so excited to present this new program that they even dressed up.

EOGA Steenberg also hosted a **Kiddies Christmas party** and young kids were introduced to golf and had lots of fun with our coaches.

EOGA Steenberg also held an **Holiday Elite Clinic**. The golfers had 4 days of intense training with a program including student evaluation using technology, students feedback sessions, warm-up and discussion sessions with our biokineticist Luke, 18 holes on the course and more...We are so proud of all our students and of their perseverance and improvement.

**Etienne** (right) and **Murray** (left) were the 2 main coaches for the Elite clinic and they did a splendid job organising a challenging few days while still having time for fun and bonding.

## EOGA Erinvale

As you're reading this, our **Junior clinics** are happening at our EOGA site Erinvale (Somerset West). John's Junior Clinics are keeping the younger golfers well occupied and focused on developing their skills.

EOGA Erinvale was also busy this past month with Murray and John organising various events to build up good connections with the players of Erinvale and beyond. There were Masterclasses for men, for women, Junior classes, Short Golf introduction and more...

## EOGA Westlake

On our EOGA Westlake front, Alec and David hosted our **Prentice Finals**.

Our coach David Gerhardi (middle) stands here with **Kieran Urquhart** (left) who won the Prentice of the year award, and **Michael Willig** (right) who won 1st place with a score of 83.

Alec has also been developing golf with the regular of Westlake and hosted various events as well as growing our future golfers with one of our partner schools, **the American International school**. They're taking a break during the school holidays but training will be back in the new year of course.

## Congratulations, Bobby!

In other exciting news, our elite girl **Bobbi Brown** – age 15 – won the award for the Ladies Emerging Golfer of the year at the Western Province Golf Annual Awards ceremony held at Kelvin Grove Sports Club. Bobbi has been coached by EOGA for a few years and we are so very proud of her!

## Happy holidays!

EOGA might have more exciting news coming in the new year. Stay in touch...

That's all the news for now from us at EOGA. The only thing left for us is to say a huge thank you to all our dedicated players, our beginners and our elite, our young and our less young customers for the year that we spent together. EOGA is all about serving you and growing your love and skills for golf and have fun while doing it. Thank you!

We wish you a blessed **Christmas** and we can't wait to do **2019** with you all!

Don't forget to follow us!
