Your fitting survey

The most difficult club

We'd like you to give us 3 minutes of your time to complete a survey that will allow us to provide you with a better and more personal service. With your individual responses, we get a much better idea of how we can help you. This is a win-win survey.

[Give us your answers now >](#)

The fairway wood reveals all flaws. Its combination of: shaft that's nearly as long as the driver shaft; a face not nearly as big as a driver face; and usually for use without the advantage of a "tee"; make this a very difficult to use club.

Technique, head design, and fitting can either make this a tremendous club to carry and use;

or a club not worth its weight in the bag. Where are you when it comes to your fairway woods?

Fill in your survey

That's why we'd like you to complete this survey and let us know what's most important to you and your playing experience.

[Complete now >](#)

Make it a winner

The fairway wood can change your result on any hole: a great recovery club and a great club to set up an unexpected opportunity.

The best for you

An improvement changing your game

If you want to go from experiencing an average golf game to a better golf game, where you take more frustration-free walks down fairways and then step with an excited bounce towards a green full of opportunity after a sweet approach shot:

Then often a small change, from steering the golf ball to releasing the clubhead through the golf ball, results in:

Certainly extra distance. More than you might imagine. A surprise to everyone you play with.

Definitely straighter tee shots and approach shots. More fairways from the tee. More greens on approach.

More solid, more consistent ball striking. More satisfaction at the end of every round.

Forget winning. Forget trophies. Hitting better golf shots makes the whole world a better, happier place. Golf should be the therapy for life!

Get a better experience

What would cause you to smile more often on the golf course? What would give you cause for celebration? If “greater consistency” of ball striking will help deliver a smile or celebration,
