The Ladies Classic was a blast!

A quick snapshot of all the classic fun

Another year with another enjoyable Classic! Well done to all who took part this year, it was really a special 16th Tournament. With the rains the course had experienced over the last month, we were blessed to have three days of sun without a drop of rain. Congratulations to **Lynne Blackstock and Karen Burns** who were able to fend off Sandy FitzGerald and Gill Huddy by 2 points!

Thanks to Legends players – **Des Erasmus, Mel Davies, Richard Bridgeford and Deon de Beer** for sharing your talents and starting the party off so well! Saturday night's highlight was the Southbroom Pro Shop Fashion Show. Well done to all the models, you all looked great!

This year's theme was **"Around the World in just 3 days"**, commemorating Southbroom Golf Club's 80th birthday! It was incredible to walk through the clubhouse on the Sunday night, seeing the ladies dressed up from different times and parts of the world. We had some Egyptians, cow girls, Mexicans, Hawaiian dancers, Australians, Zulu dancers, Leprechauns and the mighty All Blacks from New Zealand just to name a few!

Southbroom Dance Troupe entertained all again with dances & guest artists from all around the world

And ended off with Queen rocking the whole bar!

Sunday night was the main entertainment night

Carrying on with the theme of "Around the World in just 3 Days" Allyson Thomas (Lady Captain) and her merry team attempted to take the crowd around the world in roughly 15 minutes. We had acts from South Africa ("Waka Waka"), America ("Born in the USA" and "It's Raining men"), Britain

(The Beatles and Spice Girls), Sweden (ABBA), Spain ("La Macarena"), South Korea ("Gangnam style"), and of course to finish it off was Freddy Mercury with Queen - "We will rock you"!

The players all dressed up to suit the great theme!

Big thanks to **Allyson Thomas, Irene and Erwin Schanda** and the rest the **Busy Bees** group from the Ladies Section, together with Jenny Fox and Della Kempthorne, who all put in a whole lot of effort and helped with the costumes, props and décor for the evenings and tournament in general. **Gavin's Clubhouse staff:** Thembi, Phet, Cindy, Michelle, Sbu, Wilson and all the bar staff put on a great show of delicious food and great service altogether creating a superb evening.

There were many wonderful sponsors and thanks especially to those who manned their tees!

Around the world in just 3 days

After the Fashion Show and Nic's famous potjie on Saturday evening the ladies went straight to business on Sunday morning, starting with **DJ's Clinic** at 9am and a Shotgun start at 10am. The wind was up early from the north and blew all day, it was by no means a gale force, but enough to remind you to take an extra club or two!

The scoring was good and competitive with Sandy FitzGerald and Gill Huddy (39 pts) and Jennifer Abernethy and Tinker de Swart (40 pts). Taking the lead on Day 1 was Lynne Blackstock and Karen Burns, together with Wendy Counihan & Binny Stephen, who had posted totals of 42 points each.

The Classic show and Winton Smile took centre stage on Sunday evening. With great food, entertainment and music its was bound to be great party filled with company, dancing and many laughs! **Day 1** started an hour earlier as we settled into the tournament and mother nature decided to change it up a bit, with a stronger wind blowing from the south.

The ladies were definitely better equipped on **Day 2** to battle the wind as the scoring was very good and still as competitive. Just three points separated five teams: Rene Matthew & Kathy Bush (42 pts), Biffy Dunn & Isobel Fyfe (43 pts), Lynne Blackstock & Karen Burns, and Sandy FitzGerald & Gill Huddy (All on 44 pts). Winning the day with an incredible 45 pts were our very own Lady and Vice Captain Team of Allyson Thomas & Shirley Jeffery.

Going into the **final day** the scores were close. Scoring on the Monday brought many back into contention so there was a lot of excitement in the air. We were greeted to mainly overcast conditions. No wind at all meant we were in for a cracker of a day. Winning the final day with a staggering 49 points were Janet Humphrey and Irene Schanda. That haul blasted them all the way up the leaderboard to a very respectable 5th spot. For the Classic, it was a two-horse race.

Playing together, Sandy FitzGerald and Gill Huddy, would have to make up three points on Lynne Blackstock and Karen Burns to lift the trophy. While they played brilliantly on the final day, Lynne and Karen did equally as well

to remain in touch and eventually came in with 43 points, and Sandy and Gill's tally with 1 point behind - 44 points. That would be enough for Lynne and Karen to secure their first ever Ladies Classic by two shots.

Congratulations!

A big thank you must also go out to all our sponsors and especially those who manned their tees and spoilt the players! Thanks to active tee sponsors: **Realty 1 Southbroom, Coral Tree Colony, Ubuntu Resource Management, Sensasia, Cathy Halliday Properties and Lynne Blackstock!**

Well done again to the hard-working Classic Committee and special thanks to **Deanne Purtell** (dance show choreographer), to our **Ladies Committee** headed up by Allyson Thomas, Shirley Jeffery and Irene Schanda, and the rest of the **Southbroom Ladies team** for all the wonderful décor, enthusiasm and transforming the clubhouse magically. A big thanks to the ever-efficient registration ladies: **Angela Erasmus, Nicola McKenzie and Jean Blailey.**

Thanks to all the Ladies Classic photographers - especially Richard Bridgeford and his on-course roving lens, Peter Munday and Gwen James for taking the team pics!

You will be greatly missed, Chris Cook

Sad news this week was hearing that Chris Cook passed away peacefully. It was lovely to see Chris and Debbie a few weeks ago when they came to the Club to see their friends and our thoughts are with Debbie now.

Condolences **CHRIS COOK**

*We extend our Sincere Condolences and Sympathies
to Debbie Cook, the family and to the many friends
on the sad news of the passing of*

The SWG Gladys Paul Trophy

Congratulations **Jill Webster**, who won the day!

Everyone wants forgiveness

And you want it all ways

If your handicap is over 18, then there's a good chance that you either don't get great height on your approach shots, and/or often lose the ball to a fade or slice. There's technology to help: Super Game Improvement!

Large profile

You'll notice that these clubs are quite thick. That moves the CoG deeper (further from the face) and lower. The launch angle of the ball will be much higher for better ball flight. The large face provides a huge hitting zone.

Wherever on the face

There's going to be technology that protects ball speed heel/toe, and high/low. As much of the face as possible will spring right up to the legal limits.

Offset to cure a slice

The offset will not only help to move the CoG deeper, but it also gives you more time to square the face at impact.

That will reduce or even remove your slice.

Stronger lofts

The higher launch angle allows the designer to strengthen the loft to create added distance.

Shorter irons on approach make ball striking easier.

Too many of our inexperienced and higher handicap golfers miss out on the fitting process. They don't think they're skilled enough. Where's the logic? "I'm not that good so I'll play with an iron that makes the game harder!" Get fitted. Make the game easier.

Changing shapes

Super game improvement irons used to look like mini metal woods. No longer. Materials, manufacturing and smart design deliver technical assistance in good-looking models. Talk to us. Let us show you. Oh, and let us FIT you.

Knock it down. Knock it close.

 Jordan Spieth - www.golfdigest.com

Whether the wind is with you or against you, a **LOWER FLIGHTED SHOT** will be **LESS EXPOSED**.

Combine that with how much easier it is to nail your **DISTANCE TARGET** with a lower trajectory and you've got **POWERFUL MOTIVATIONS** to learn to play this shot.

Played with the right technique and this shot spins a ton. The ball stops and even reverses. Setup and ball position at address are important. So is an angle of attack that is shallower than many of you have. You'll even see the very best slightly deloft the club at impact.

Choosing between a high 56° wedge shot or a knock down three-quarter 52° wedge approach; the best players will take the knock down every time.

Learn to play this shot

If you want to be more accurate from 100 metres in; setting up more birdies or a par-save; then most amateurs would benefit enormously if they could hit their wedge shots on a lower trajectory with more spin. Come on.

Be better. It's time to learn a new skill.
