From the Club

Congrats Charmaine!

Charmaine Steyn shot her best score ever last week at Zwartkop – an 81! She then repeated it on Tuesday this week! She attributes the improvement to her Practice Club sessions and her 9-Hole Playing lesson.

She had this to say:

"What an amazing feeling! My aim is to be at least a 5-handicap or lower, if possible. It was only possible because of the excellent coaching from Elsabe Hefer and Justin Godfrey during their presentation of the Practice with Purpose and on-course training. Thank you very, very much! You are an excellent team!"

Justin is now a full-time staff member at Zwartkop and is a qualified PGA

Erasmus is now a full time staff member at Zwartop and is a qualified PGA Professional. It is his life's mission to help you improve your game so that you have more fun out on the golf course. Give him a call on **082-925-0236** and book a lesson or a quick evaluation.

RIP Johanna Erasmus

We are very sad to report that Johanna Erasmus passed away on Tuesday after a long battle with cancer. She was an Honourry Member who had been a member at Zwartop for 38 years. She was wonderful person with a great sense of humour and she was much loved by all at the Club. Our condolences go out to all her family and friends.

The funeral will be held on Tuesday, 17th September at 10h00 at the Hervormde Kerk Rooihuiskraal on the corner of Santie and Konstantyn Streets in The Reeds.

Fitting for approach shot

magic

Delivering a

BETTER APPROACH

When we fit you for new irons, we can add "distance" which means a shorter club. And using a club with a shorter shaft on approach shots leads to more accuracy.

Many club makers have identified 37 as an important point in shaft length.

Above that length and most golfer's consistency of contact starts to deteriorate rapidly. So allowing you to hit a 37" #7 iron rather than a 'longer' #6 iron is a big deal.

THE CLUBFACE – METALWOOD OR IRON –

has been part of a materials and design revolution. New materials allow them to be thinner and faster. New internal design is supporting the next generation of irons to allow even more speed across more of the face.

Now improve your approach

Book an assessment with us now. Let us look at your swing and technique; your irons and how the technology helps you. Let us improve the number of magical moments you have on the course.

MASTERING
a skill is great for
SELF-CONFIDENCE.

The boost, thrill, and growth we see in a child when they start to master a particular golf skill gives us tremendous fulfillment. As we start to see them fall in love with the game and find new connections with others on a similar journey, we know we're doing our job.

If we can do that, they'll be healthier, happier, and have a game and friends for a lifetime.

Sign your children up for one of our fun junior golf programmes. We'll set them on the pathway to a lifelong love affair with the game.
