Santa says...

SA Juniors put on a show!

Wow, these boys can play!

Sunshine Tour's Lali Stander said it best...

Van Wyk hits the mark at St Francis Links

28 June 2019

Ben van Wyk got instant redemption with a two-shot triumph in the **Nomads National Order of Merit Coastal** at **St Francis Links**, just days after faltering down the stretch while in contention in the **Dimension Data Junior Open**.

The reigning Nomads SA Boys U-19 Match Play champion posted the lowest junior score in the club's history and equaled an amateur record that stood for 13 years when he fired a six-under-par 66 in the opening round on the Jack Nicklaus signature course.

He backed that up with a two-under 70 to win the title that has eluded him for the last three years.

"It's an amazing feeling to be back in the winner's circle," Van Wyk said. "For the last three years, I've led this tournament in the first round and threw it away on the last day. I told myself not this time; not after last week's disappointment."

The 18-year-old Fancourt golfer shared the lead with Christiaan Maas, going into the final round of the Dimension Data Junior Open at his home course last Tuesday.

He faded just slightly after a double-bogey at the third but kept pace with the Gauteng junior on the Montague course. However, a trio of bogeys over the last four holes meant he lost his chances of overhauling Maas for victory.

A share of third was a scant reward for the quality golf Van Wyk produced.

Fancourt junior, Ben van Wyk, won the Nomads National Order of Merit Coastal at St Francis Links; credit **GolfRSA**.

"It stung a little bit, but I let it go because I love St Francis Links. I've always played well here and I knew if I made a good start, I'd have another chance. That kept me motivated. And the putter was hot on the first day," he said.

Birdies at the second and third, and another brace at the fifth and sixth holes pushed Van Wyk into pole position, and he never relinquished the lead. He added two more birdies at 12 and 13 and offset a lone bogey at 14,

with a birdie at the par-three 17th for 66.

"I struck the ball really well and I hit almost every fairway and green. I put myself in good positions to go for the right side of the greens and the putter did the rest," he said.

Another blistering start in the final round kept the George teenager in front.

"I hit it close on the first, lipped out for eagle at the par-five third and hit a 6-iron to three-foot at the short fourth to go three-under in the first four holes," Van Wyk said.

"Unfortunately I hit a bit of a rough spot before the turn. I hit a 4-iron in and was in an awkward spot and couldn't up-and-down for par at the eighth. On the ninth, I expected my second shot to fade. It stayed straight, went into the hazard and I ended up making double."

He gained back two shots with birdies at 12 and 13 but dropped another at the par-five (16) after a wayward drive. He reached the final hole with a one-shot lead and was almost in trouble after a poor tee-shot, but the Fancourt golfer saved the day with a brilliant approach. He hit a perfect 9-iron to three feet and calmly boxed the putt to seal a two-shot victory on eight-under 146. This triumph gave Van Wyk an injection of confidence.

"I am really stoked about this win. This was my last official tournament in South Africa and it's a great feeling to leave for the United States with two big wins under the belt," said Van Wyk, who is taking up a golf scholarship at Augusta University in Georgia in August.

"The Nomads events always draw the best junior golfers and to win against the best is pretty awesome. It's been a great season so far, and I'll take a lot of confidence to the United States."

A runner-up finish also bodes well for **Casey Jarvis** from **Ekurhuleni**, who takes up his title defense in the **Nomads SA Boys Under-17 Championship**, at the same venue next week.

Jarvis helped the **GolfRSA Junior Proteas** to a record victory in the **Toyota Junior Golf World Cup** in Japan last Friday. Despite still recovering from mumps, he immediately flew to the Eastern Province to get some game

time on the challenging Jack Nicklaus layout.

Jarvis began the final round four shots behind Van Wyk after a first-round 70 and the 15-year-old State Mines golfer still trailed the leader by a few shots through 10 holes.

He turned up the heat on the back nine and racked up a pair of birdies and an eagle at the par-five 16th, for a 68 to take second on six-under.

Fellow GolfRSA National Squad members **Cole Stevens** and **Jordan Duminy** finished third and fourth respectively.

Stevens from Gauteng carded rounds of 71 and 67 to finish on five-under, while SA Amateur finalist Duminy returned rounds of 67 and 73 for a four-under aggregate.

I always like to see the stats, especially in tournaments played over multiple days and in changing conditions. Day 1 was a "pearler" with almost no wind, and Day 2 provided the players with a little westerly that came in at 15-20kms.

Check out how the holes played to par and note how tough the 4th was to the top green on Day 2.

Day 1

What's happening on the course this week?

This week we are hosting the **Boy's Under 17 National Championship**. I

expect more of the same!

Come out and watch...

Hat's off to Christiaan Bezuidenhout!

Here's a young man, who has truly fought off life's challenges to reach the

top of the golfing ladder. It is amazing to see his journey to become such a miracle player. Christiaan just won at **Valderrama**, Spain's answer to Augusta. He held off the Rahm's and Garcia's with poise, winning his first **European Tour** event by a whopping 6 shots.

Hole-in-one: Alison makes it number 5!

Alison Bosch made here 5th ace; and the shot was absolutely perfect -
95m, 8 Iron. Hole 7, Par 3 - Wetland.

She now has her name on the hole-in-one board three times, twice on 17 and now on 7. Her first two hole-in-ones' came on the 8th at St Francis Bay GC. When I spoke to her afterward, she credited **Lynn Slogrove** for some good alignment advice before her hole out on 7.

Centre of Gravity (CoG) matters

CoG can impact tee shot distance by 20+ metres

Below are two drivers with exactly the same loft. Let's assume they also have an identical shaft and shaft length.

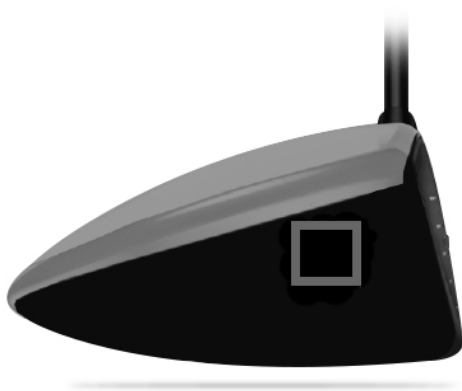

The white DOT marks the CoG

The white line through the centre of each driver represents the neutral axis.

Almost all drivers have a CoG that is above this line. Both the distance above, and how forward or back the CoG is, will impact on the angle the ball actually launches, the amount of spin on the ball, and the amount of MOI (forgiveness the driver has).

The driver on the left will go farther for a slower swing speed golfer as it will launch higher and with more spin. The driver on the right will go farther for a more aggressive golfer with a faster swing speed because it will launch a little lower and spin a lot less.

The difference between CoG locations in drivers can be measured in millimetres, but the difference in distance can be measured in tens of metres.

CoG affects the launch conditions (angle and spin) and that significantly impacts on how far your ball will travel.

Fix your millimetres and metres

Get every metre off the tee your potential deserves. Come and have a tee shot assessment and let's see how we can add 20, 30 and even more metres to your tee shots.

Who is XXIO?

A better life for them

You didn't grow up like this

Does the way children grow up today worry you? How radically different is their childhood and teens to that of just 20 years ago?

*School seems
more intense.*

*At home, they're still
connected to everyone else.*

*Then it's off to play
computer games.*

Children have to be digitally literate, but they also need to invest in movement and athletic ability, their health and well-being, and their interpersonal skills.

Let us add balance to their lives

Have your child enroll into one of our group sessions to learn to play golf, and we'll have them outdoors, interacting, learning new skills, and having a whole stack of fun they can take out onto the golf course. They won't stop playing computer games, but for a couple of hours each time we'll have them off the phone, out from in front of the screen, engaging in fun activity.
