

On the tee with Trevor

Compliments of the season, and a Happy New Year to you all! I hope you are as ready for the new year as we are. Keep an eye out for next week's newsletter where I will update the upcoming events for the beginning of 2019.

In the meantime, why not join us this Friday for the Club draw? It is currently standing at **R7 200** and the draw is normally done at around **17:30**. See you there!

New year, new rules

The 20 most important rule changes in 2019

The new rules of golf were implemented on 01 January 2019. [Click here](#) to view the 20 most important changes and memorise them!

Stroke changes

We have approximately 25 000 scorecards that were printed early in 2018 and are considering making an alteration to the strokes. In the meantime, [click here](#) for the proposed stroke changes.

Friday Club Draw

The next draw will take place on 11 January. The draw will be worth **R 7 200**.

Membership enquiries

Through these tough economical times, we at the Bloemfontein Golf Club have started implementing affordable ways of paying your **annual membership fees**. We have a monthly debit order facility that has been very successful.

Please give either Lodia or Carla a call at **051 447 0571**, who will assist you in renewing your membership, or to become a new member.

Revealing the lie

The key to accuracy is flawed

We suspect that you all realise that the lie angle on your irons is of paramount importance to your ability to hit solid and accurate approach shots.

You may even have read the research that reveals that for every 1° your lie angle is too flat or upright, you'll be 10 feet wide of the target with a perfectly hit #5 iron.

So you'd appreciate why we're alarmed by some research we did ourselves.

The standard lie angle for different brands is different!

Brand 1
#7 iron
 Lie angle 62.5°

Brand 2
#7 iron
 Lie angle 63°

Brand 3
#7 iron
 Lie angle 62°

That's right, the first three models we checked (all game improvement models) from three different brands, all had different standard lie angles! That means you might be standard with one model and 1° upright with another.

Every purchase needs a fitting

No one should buy golf equipment (any golf club) without a fitting. As this research shows, even for the most important component of an iron; the part that controls accuracy; it's critical to get fitted for your swing AND the model being selected.

Make it easier to hit better golf shots.

The best for you

Why make this journey?

We want to help as many of you as possible find new levels of joy and fulfillment from your golf. Experience that sweet moment, when you make perfect contact and the ball flies high and long, and you know why you come back again.

We want more smiles. More times that you follow your shot and think "How cool is that!".
More moments of joy. More causes for celebration.

*If inconsistent ball striking
blights your game*

*let us improve your ability to make solid,
square contact.*

Get a better experience

What would cause you to smile more often on the golf course? What would give you cause for celebration?

If "greater consistency" of ball striking deliver a smile or celebration,
