Men's Fall Invitational

It is with great pleasure we invite you to participate in our fourth Men's Fall Invitational to be contested on Friday, September 13, 2019. Fall at Glen View Club is arguably the best time of year to play golf with the leaves changing colors and the golf course in great shape. The event format will provide an enjoyable day of golf with three different formats to play.

Center of Gravity (CoG) matters

So much written hype

How often do you read about amazing new driver crowns or faces that allow the CoG in any club to be made lower and deeper? They promise “easier launch” and “greater distance”.

The authors of these shrieking product headlines are right, but the definition of deeper or lower is marginal. A Golf Spy analysis revealed that the difference in CoG location between the CoG in a Titleist D2 Driver and a Callaway GBB Epic Driver (depending on setup) was less than 2mm!

PHYSICS AND GOLF

2mm matters

But the difference in the CoG vertical location of just 2mm means that the amount of backspin imparted on the ball will be significantly different.

LAUNCH DNA

Measured in tens of yards

Change the spin just 500rpm on a tee shot and with some swing speeds you have a 20-yard difference. That's why you need a fitting.

Fix your millimetres and yards

Get every yard off the tee your potential deserves. Come and have a tee shot assessment and let's see how we can add 20, 30 and even more yards to your tee shots.

It's time to do something

A staggering fact

Scientific research indicates that, despite the medical advances that are curing many diseases, the life-expectancy of the latest generation is going to be 5 years less than we currently live!

We're not here to lecture anyone on diet, nutrition, or "screen-time". But we do believe that we need to get our children to embrace a more active lifestyle.

That's why we want to help

If you have a child or grandchild, then let's get them started playing golf.

We'll make it fun and enjoyable, social, and active. We want them to be healthier for their whole life. We want them to have those 5 years back. It's time to do something.
