What's your gameplan for the next two months?

The Majors are past us. But the best part of the golf season isn't. August and especially September are great months for golf.

So, what are you going to do with the next 10 weeks? What are you going to do to improve your game? Can you make more golfing connections? Want to play better golf?

Center of Gravity (CoG) matters

To old & young, male & female, skilled & inexperienced

Whether you swing your driver particularly fast or very slow, the CoG location of your driver impacts significantly on your tee shot performance and playing experience.

Although the CoG location in different drivers might be a few mm apart (in depth and in height), it will have a significant impact on your launch angle and the spin rate on the golf ball. That really, really matters to your experience on the golf course.

40 YARDS

Especially to those with slower swing speeds or those with very, very fast swing speeds the difference in tee shot improvement we can create, just by changing launch conditions, can be beyond 40 yards. That's not just a great feeling when you hit the ball further; that could mean an easier #8 iron second shot vs. a more difficult #5 iron. Who wouldn't want that?

Fix your millimeters and yards

Get every yard off the tee your potential deserves. Come and have a tee shot assessment and let's see how we can add 20, 30 and even more yards to your tee shots.

It's time to do something

This is wrong, let's reverse the trend

Between 2002 and 2012, the incidence of type-2 diabetes in children increased by 5% according to research done for the Center for Disease Control and Prevention. Further research indicates that we can expect to see an even faster acceleration by 2022.

You might think that golf isn't a sport or activity that burns the most calories. You might think that there are more intense sports. But you'll struggle to find a sport that gives a child so much.

We know golf is good for children

If you have a child or grandchild, then let's get them started playing golf.

We'll make it fun and enjoyable, social, and active. We want them to be healthier for their whole life. We want them to have those 5 years back. It's time to do something.
