Team golf is so much fun

The intensity of the Presidents Cup may well have surprised many of you. Two takeaways. How good was Tiger Woods? He was 3-0-0 and led from the front. His game was as good as anyone's, his scoring as good as anyone's (despite being about average in length off the tee), and his leadership was top drawer.

How many of you had heard of **Sungjae Im**? I think we can mark him down as a future winner of golfing majors. His destruction of **Gary Woodland**, who was hitting it well, was a golfing purist's dream.

My biggest takeaway though remains, team golf is so much fun. Your minds will be turned to the holidays now, but when you come back, why not get some friends together and throw out a team challenge.

The gifts we offer you

Few things on the golf course are more thrilling than holing out without your putter. You could experience this feeling more often by adding spin to your short game.

GET ALL THE SPIN ON OFFER

Wedges now offer more bite and spin to all golfers. But to really get all of it requires solid contact. The range of grind and bounce options now provided as standard by manufacturers is meant to help with that. But you still need to find the right one for you. That's why we're here.

Fresh grooves give you up to 14-feet more stopping power than a worn wedge face.

What matters most to you?

We're here to bring you the gift of thrills

Come and see us for a wedge fitting.

Of course everything is

IMPORTANT

We asked you to rate 1 to 3 what's the most important to you when you arrive at a golf club. That's a very different question to surveys that ask you to rate experiences, facilities, and surveys, after your round.

From this list, when you arrive at the entrance to a golf club ready to play 18 holes, what is the first, second and third most important priorities to you?

- Great weather.
- Being greeted by name and feeling looked after by the course staff.
- Having more good shots & less bad shots than usual.
- Pristine course conditions.
- Nothing going wrong throughout the day.
- Having the round take less than 4.5 hours.
- Shoot your lowest score ever.
- Feeling like a respected and valued member of the club.
- Having fun with friends.
- Club facilities are neat, orderly and the service is good.
- Meeting new people.

Everyone of those items is important. It's not that anything can be neglected. But it's quite interesting to think about what is the most important to you and how, whatever your answer is, we can do a better job, so that you get more satisfaction.
