Testimonial

It's never too late to get the score you deserve

Absolutely incredible day. Both Micky and I had amazing golf, four hours with Rob. Making major headway with my game. My scores continue to get lower and lower the more time I spend with Rob. I will be 68 years old on the 18th of this month of June. Rob and I are totally convinced that we can compete as I did 48 years ago on a very high level. Rob has made a high difference in my confidence levels of hitting quality high lever golf shots. Golf life begins at 68. Thank you Rob!

Could you save 5 shots per round?

Let's get that putter working for you

If you struggle to make enough 6, 8, 10 and 12-foot putts on a flat lie, there's a real possibility that your putter is getting in the way of your fun. If you're struggling, then set up as shown below and try 10x10 foot putts (on a flat surface).

If you're feeling uncomfortable in this setup, or you're still struggling to sink enough straight-forward, flat putts, then try a putter with a shorter shaft. What happens then? You might be very surprised.

Is 35" too long for you? The average shaft length on a putter is 35". That's too long for the majority of golfers. It's longer than the average putter length on the PGA Tour. Can you get into a posture that allows you to setup correctly and deliver the putter face square at impact with 35"?

Get a check-up

Improving your ability to square the putter face at impact will take up to 5 shots off your scorecard. There are some simple keys to that improvement.

Set up and putter are part of that equation. So come and see us.

THE SAME**

BETTER IS GREAT

Better is more enjoyment. Better is more excitement. Better is more rewarding. Better is a look of surprise on your playing partner's face. Better is a challenge faced and an accomplishment made.

Start a journey

Golf is even more fun when it's a journey somewhere. It's more than playing. It's about growing and improving and mastering a new skill. Speak to us about our 'Play Nine Together' or 'Personal Assessment' and we'll show you a pathway to better golf.
