Happy Holidays

Best wishes for a wonderful holiday season

And a new year filled with peace and happiness.

As we come to the end of 2019, we would like to thank the **Goodyear**

family, owners of Money Hill, for their generous support over the last 20 years.

We also want to take this time to thank everyone who has taken lessons, attended golf schools and clinics, participated in junior programs, had club fittings, and purchased golf equipment through Rob Noel Golf Academy.

Without you, there is no academy.

THANK YOU

We appreciate your trust and support throughout the year.

Maybe you're done with all your shopping and you've checked your lists twice, so what about some time for yourself and your game?

Testimonial Tuesday

"As a beginner golfer, I was not really sure that I wanted to take golf lessons - I felt very intimidated by the game. Now we are more than halfway through the class I find myself more confident that I can play the game of golf. This is a great course for any beginner and Mike is great instructor." ~ Rhonda M

To help you on your journey to a much better game Michael Howes will be starting new classes for both men and ladies.

The gifts we offer you

Few things on the golf course are more thrilling than holing out without your putter. You could experience this feeling more often by adding spin to your short game.

GET ALL THE SPIN ON OFFER

Wedges now offer more bite and spin to all golfers. But to really get all of it requires solid contact. The range of grind and bounce options now provided as standard by manufacturers is meant to help with that. But you still need to find the right one for you. That's why we're here.

Fresh grooves give you up to 14-feet more stopping power than a worn
What matters most to you?

IMPORTANT

We asked you to rate 1 to 3 what's the most important to you when you arrive at a golf club. That's a very different question to surveys that ask you to rate experiences, facilities, and surveys, after your round.

From this list, when you arrive at the entrance to a golf club ready to play 18 holes, what is the first, second and third most important priorities to you?

- Great weather.
- Being greeted by name and feeling looked after by the course staff.
- Having more good shots & less bad shots than usual.
- Pristine course conditions.
- Nothing going wrong throughout the day.
- Having the round take less than 4.5 hours.
- Shoot your lowest score ever.
- Feeling like a respected and valued member of the club.
- Having fun with friends.
- Club facilities are neat, orderly and the service is good.
- Meeting new people.

Everyone of those items is important. It's not that anything can be neglected. But it's quite interesting to think about what is the most important to you and how, whatever your answer is, we can do a better job, so that you get more satisfaction.
