

## It's frosty on the fairways

### Don't break the slice

During the early hours of the Winter Mornings the Fairway might be a bit frosted. If you see any frost, try and stay on the side of the fairways.

## Put your golf knowledge to the test

Know your Birdies from your Eagles

## DID YOU KNOW?

The term "Birdie", which signifies a score of one under par, originated from American Ab Smith in 1899 at the Atlantic City Country Club. After Smith hit his second shot on a par four to within inches of the hole he said "That was a bird of a shot" and claimed he should get double money if he won with one under par, which he did after making his putt. The term "birdie" began to be used to describe the score of one under par. The term "eagle" later stemmed from the "birdie" theme and was also started at the Atlantic City Country Club.

# Centre of Gravity (CoG) matters

## It's why an assessment and fitting matters

If two drivers with exactly the same loft and shaft can have a difference of 20 plus metres in how far you hit the ball off the tee, then there's one irrefutable conclusion.

What you should be buying is metres, NOT a driver. Yes, every time you're buying a driver, we should be helping you to find the configuration that maximises your ball speed and then matches that to an angle of launch and spin rate on the ball to get you the biggest distance improvement without you losing control.

Matching swing speed, ball speed, launch angle, and spin rate on tee shots, will make up to 40 metres of difference for some golfers. How much difference would it make to you?

## Come and grab some metres

Get every metre off the tee your potential deserves. Come and have a tee shot assessment and let's see how we can add 20, 30 and even more metres to your tee shots.

# A better life for them

## The family connected

We are living in the middle of the greatest and most exciting revolution the world has ever seen. The digital and AI revolution is impacting on society and the way human beings are connected. But there has to be a balance. Your children need to have a way of staying connected with their family in all sorts of real-world ways.

We're biased, but we don't think, besides the family meal, there is a better family experience than golf. Play a Family Alliance – don't compete. Share real joy. Be connected together. Outdoors. Away from social media, computer games. Open up conversation. Share accomplishments.

## Let us add balance

Have your child enroll into one of our group sessions to learn to play golf, and we'll have them outdoors, interacting, learning new skills, and having a whole stack of fun they can take out onto the golf course. They won't stop playing computer games, but for a couple of hours each time we'll have them off the phone, out from in front of the screen, engaging in fun activity.
