The player is surrounded by vibrant, multi-colored splashes in shades of blue, yellow, green, and purple, with some splashes appearing to have a glowing or sparkling effect. Fitting for approach shot magic

Three dimensions for a
BETTER APPROACH

We want you to evolve your thinking about your approach shots. Get more demanding about the results you want. Work with us on improving your performance.

Let's start with what you should demand from the partnership that is your swing and your irons.

DISTANCE:

Adding distance means you're playing a shorter club. That means literally a shorter length club. That makes it easier to square the club face and launch the ball high and with accuracy.

ACCURACY:

Squaring the face to target and squaring the sole to the ground at impact means you'll hit more shots tighter to the target. Technique is important. Fitting is imperative. Yes, fitting is imperative to accuracy.

STOPPING POWER:

Once your approach hits the green you want stopping power. That requires spin and an angle of descent that causes the ball to stop.

*descent that means the ball will sit.
So, you want technology in your iron
that launches your ball on a great
trajectory.*

Now improve your approach

Book an assessment with us now. Let us look at your swing and technique;
your irons and how the technology helps you. Let us improve the three
dimensions above. Improve these and it increases the number of magical
moments on the course.

Fall in love with golf
Make more magic >

This is

NOT THE PURPOSE

of introducing your children to the

GREATEST GAME.

We're not trying to create the next great tour superstar. We're trying to help
junior golfers fall in love with the game of golf.

If we can do that, they'll be healthier, happier, and have a game and friends for a lifetime.

Whether they've played the game before, play the game now, or have never played the game, we'll promise you that we'll take care of them, and set them on the pathway to a lifelong love affair with the game.

Sign your children up for one of our fun junior golf programmes.
