Captain's News

Hi everyone!

The saying “never a dull moment” has certainly been true for the Jewel this past month. As everyone certainly has seen by now the renovations to the downstairs area are underway and the builders are certainly moving! Most of the breaking down of walls and the building of new ones has been done, and we are on our way in starting to finish the showers in the men’s lockers. We have had some issues with the electricity, but thanks to Pieter Rossouw (one of our valued members) we are well on our way to sorting those out.

The manufacturing and installation of all the shop fronts, glass and aluminium will follow shortly.

We have also had the unfortunate incident of the explosion in the top kitchen. We were very blessed that no one was seriously injured. We have also been fortunate to have Mark Hershaw (another one of our members) from Red Apple Trading on the scene almost immediately to help with re-registering of the claim and getting the assessors out very soon. The area has been cleaned up and is fully functional, but with a claim being made we will upgrade this kitchen as soon as the downstairs area is open.

Those of you that have been on the course in the last week would also have noticed that we have hollowtined at the beginning of last week. Thanks to Chris and the team from SGM for their quick and thorough work. It is unfortunately always one of those necessary evils to go through, and we thank you for your patience in this time. It is after all done to keep our greens in the great condition that they have been.

We also hosted the second information session on the 27th of August. Thanks to those who attended, and as always there have been some good suggestions and comments. Please feel free to join us for the next one - this is an informal get-together to keep every member informed as to what exactly is happening in our club. We will confirm the date in due course -

the meetings are held quarterly.

We are also busy in the marketing department with getting some ideas for a member drive. Please watch this space, and in the meantime please remember to invite your friends and family to our course to come and sample a taste of the Jewel of the North! We will incentivise this drive, so as I said: watch this space!

That is all from my side - please remember to fill your divots and repair your pitch marks - always leave the hole the way you would want it to be when you play it!

Sacrifice, but the prospect of our upgraded facility makes me very excited and will be worth the inconvenience. Onwards and Upwards for our Jewel!

"Don't play too much golf. Two rounds a day are plenty." Harry Vardon

Yours in golf,

Regardt Van Rensburg

WP League Results August 2019:

Congratulations to:

- The Silver League Team for winning their match 3/0 against Westlake at Metropolitan Golf Club – Well done!

- The Bronze 1 League Team for winning their match 2/1 against Clovelly at Clovelly – so proud of you all!
- The Bronze 5 League Team unfortunately lost their match 0/3 against Clovelly at home.

Good Luck to all the teams for the last 2 matches, we are almost there for the play-offs that commence on 29 October 2019. **You go Ladies!**

KWV Mixed

What a fabulous turnout we had for the KWV Mixed that was held at Durbanville GC with visitors from **Bellville, Hermanus** and **Parow Golf Clubs**. Thank you to all the golfers for their loyal support which makes this special event possible.

A Special thank you KWV, to Leana for organising KWV as a sponsor and the fabulous prizes they provide, as well as the DBV GC Team and Pro Shop for their assistance in organizing the day.

Congratulations to the winners for the month of August – the format was a Betterball:

1st – Mike & Yvette Chemaly

2nd – Chris Mugno & Allison Hodgkinson

3rd – Keith & Michelle Petty

4th – Marius & Estelle Smal

5th – Johan & Marga Liebenberg

6th – Graham Gibbons & Michelle Kemp

Jordan Rothman flies the DGC flag high!

Jordan Rothman – St Andrews Junior Ladies Open Runner-Up!!

In August our talented Jordan headed off to St Andrews in Scotland to compete in a strong international field. Jordan played in the St Andrews Junior Ladies Open and was accompanied by Lana Orgovanyi, Pure Motion's Head Coach. She was able to spend time with her practising at the outstanding facilities at St Andrews as well as keenly follow her progress in very different conditions to those in which she normally plays.

In a field of 80 girls, Jordan was 1 of 16 who made it through to the knockout matchplay ultimately finishing 4th. Jordan cruised through her first round 8&6 to make it to the quarter finals and with a 6&5 win she moved into the semi-finals. The semi-final match went to the 18th green but she held her nerve and won the match 1-up. After a tough match, Jordan eventually finished runner up. Well done Jordan we are so proud of your unbelievable achievement!

Ladies Classic

The event is almost fully booked, – if you have not yet booked your 4ball please do so ASAP with **Yvette Negrine**.

Course renovations and hollowtining

The course staff and our builders have been hard at work this month. The renovations are moving along very quickly and they are on schedule.

We also hollowtined the greens. This was done earlier this year to allow the greens to be in great conditions when our corporate season begins and gets busy. They will be smooth and quick again before you know it.

Fitting for approach shot magic

Three dimensions for a **BETTER APPROACH**

We want you to evolve your thinking about your approach shots. Get more demanding about the results you want. Work with us on improving your performance.

Let's start with what you should demand from the partnership that is your swing and your irons.

DISTANCE:

Adding distance means you're playing a shorter club. That means literally a shorter length club. That makes it easier to square the club face and launch the ball high and with accuracy.

ACCURACY:

Squaring the face to target and squaring the sole to the ground at impact means you'll hit more shots tighter to the target. Technique is important. Fitting is imperative. Yes, fitting is imperative to accuracy.

STOPPING POWER:

Once your approach hits the green you want stopping power. That requires spin and an angle of descent that means the ball will sit. So, you want technology in your iron that launches your ball on a great trajectory.

Now improve your approach

Book an assessment with us now. Let us look at your swing and technique; your irons and how the technology helps you. Let us improve the three dimensions above. Improve these and it increases the number of magical moments on the course.

Make more magic >

Fall in love with golf

This is
NOT THE PURPOSE
of introducing your children to the
GREATEST GAME.

We're not trying to create the next great tour superstar. We're trying to help junior golfers fall in love with the game of golf.

If we can do that, they'll be healthier, happier, and have a game and friends for a lifetime.

Whether they've played the game before, play the game now, or have never played the game, we'll promise you that we'll take care of them, and set them on the pathway to a lifelong love affair with the game.
