## EOGA Steenberg

In the past month, EOGA has welcomed a new administrator assistant to help Jamie with all the 'behind the scenes' essential work to keep EOGA running smoothly. Welcome to the team **Lauren Stemmet!** Our offices are based at our Steenberg site so if you want to wish Lauren a warm welcome, this is where you'll find her.

**Vusi**, our apprentice coach, is now also available to do coaching at Steenberg on Sundays. He is great for all beginners and junior golfers with a strength in short game coaching. For more information contact [info@eoga.co.za](mailto:info@eoga.co.za) or send Vusi a message at **061 268 6152**.

**Mandela Day** is upon us and this year EOGA has been collecting all things golf. If you have any old golf shorts, shirts, shoes, caps or clubs, you can still donate them and bring them to our office. We will then distribute your previously loved items through our development groups and other golf initiative in Cape Town.

And this happened on Monday. Can you tell we are excited?

**EOGA Erinvale**

Both our coaches **John and Murray** have kept themselves busy with their weekly lessons until the end of the term before starting with the **Juniors Holiday Clinic**. John had a very exciting program planned over the course of 4 weeks. They played soccer golf - a game that makes use of skills like putting; they covered green reading, distance control and focus.

They had plenty of range time with balls on demand. They learned warm up stretches, a throwing challenge to repeat the correct movement pattern, tested out their swing and then finished off with a chipping game.

Their golf grew exponentially, all while having fun, plenty of exercise and fresh air! It beats a holiday in Mauritius, don't you think?

Some of these Juniors (5 to be exact) took part in their first ever competition at **Arabella**. After an hour warm up session on the driving range at Erinvale, the Juniors accompanied by John made their way to Arabella where André, our Arabella EOGA coach, addressed all the Juniors on the field. The Juniors

were very well prepared and ready to have fun on the green. They did just that and can't wait to take part in the next competition.

Thank you, Arabella, for a fun tournament!

## EOGA Arabella

André had also prepared his Juniors for the competition organised by Arabella during the week with a two-day bootcamp. The **Next Gen Golfer** event called for any Juniors between the age of 5 and 12 and André was there to prep the kids and make sure that they enjoyed themselves throughout the process.

The event was closed with a prize giving and the Juniors were very proud of themselves!

André is hosting a **Junior program every Tuesday and Thursday for August**. Book your spot with him: [andre@eoga.co.za](mailto:andre@eoga.co.za) or 082 860 4977.

## Awards Corner

Kieran Urquhart came 8 out of 100 players at the SA Champs held at Suncity. His scores were 75 and 77.

Our Ladies champion at Arabella's Captain Day, Glynis Davidson, played beautifully despite tough conditions.

Out of the 7 provinces that competed in the 2-day event, Western province secured GOLD in the Worcester Interprovincial. Pearce Lewin (4th from the left) hit the lowest score on the 2nd day, which placed him second overall on the individual standings!

*Nelia Swanepoel won the Gauteng North B division champs!*

*Young Morne keeps winning! Here he is, winner of the SA Kids Golf Junior Open at Stellenbosch.*
