For your protection

*We want you to have a longer
walk up every fairway.*

*That's a great journey to
a better round, a better
day, and a better score.*

The Callaway EPIC Flash Driver has the technology to deliver that longer walk. A Superhero-making Flash Face that protects ball speed and launch conditions across the face.

*What really matters is how
much improvement we
can make for you.
Why not challenge us?*

Improve every tee shot

Technology, expertise, and a fitting can be combined to make a difference to every tee shot. How much longer could we make your best tee shot?

How much longer could we make your average tee shot?

Contact us >

Knock it down. Knock it close.

*Whether the wind is with you
or against you, a **LOWER
FLIGHTED SHOT**
will be **LESS EXPOSED.***

*Combine that with how much
easier it is to nail your
DISTANCE TARGET
with a lower trajectory and
you've got **POWERFUL
MOTIVATIONS**
to learn to play this shot.*

Played with the right technique and this shot spins a ton. The ball stops and even reverses. Setup and ball position at address are important. So is an angle of attack that is shallower than many of you have. You'll even see the very best slightly deloft the club at impact.

Choosing between a high 56° wedge shot or a knock down three-quarter 52° wedge approach; the best players will take the knock down every time.

Learn to play this shot

If you want to be more accurate from 100 yards in; setting up more birdies or a par-save; then most amateurs would benefit enormously if they could hit their wedge shots on a lower trajectory with more spin. Come on. Be

er. It's time
