

Simplify your short game

A wedge chart helps

You want to hit closer wedge shots more often with greater ease. If you can control your distance, you create more opportunities for birdies and par saves. Let's help you achieve this by simplifying your short game with the use of a wedge chart.

Wedge	Swing length	Yardage
60°	9 - 3	23yrd
60°	11 - 1	64yrd
60°	Full	92yrd
55°	9 - 3	32yrd
55°	11 - 1	98yrd
55°	Full	108yrd
50°	9 - 3	40yrd
50°	11 - 1	110yrd
50°	Full	122yrd
PW	9 - 3	43yrd
PW	11 - 1	118yrd
PW	Full	130yrd

A wedge chart is an accurate recording of the distance each wedge travels depending on the length of your swing. The majority of Tour Pros uses wedge charts, yet no one really encourages amateur or club golfers to use them.

Making your wedge game easier

Understanding the importance of precision on approach shots using a wedge chart is your first lesson to a better short game and becoming a wedge guru. You may think you are not good enough for a wedge chart, but they really work for any level of golfer.

Enjoy the journey

Golf is the greatest game on the planet. Great playing experiences. Great social experiences. Amazing friendships. The healthy outdoors. Add a journey, and the game becomes even better.

We want you to get more out of your golf, to play better golf. We all know better golf is more fun. But the journey that takes you to a better game should also be fun.

Fun starts right at the beginning of your journey.

Nine holes with two friends and one of our Professionals, playing a fun format, gives your Professional the chance to offer some thoughts on what that journey might look like.

Start a journey

Make the first step on your own journey. Speak to us about our Play Nine Together or Personal Assessment, and we'll show you a pathway to better.
