Genius on the greens

Tempo and your putting

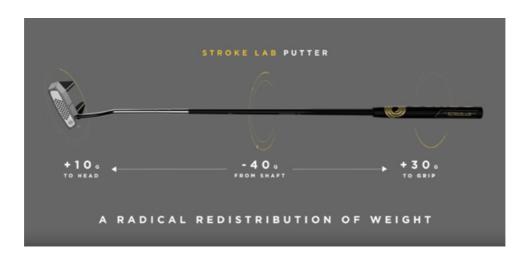

If you want the satisfaction of 20+ foot putts finishing closer to the hole, then you need to work on both the technique of your putting stroke and the tempo of your stroke.

Martin Hall, who often appears on Golf Channel, loves his do-it-yourself teaching aids.

Here's a drill he recommends using a weight!

Watch the video >

In an effort to improve your stroke tempo and consistency, Odyssey has radically re-designed the putter shaft for their Stroke Lab Putter. A graphite and steel shaft combo allows them to move weight to both ends of the putter to make a good putting stroke and tempo more intuitive.

Play 9 with us

There's more GOOD SHOTS IN THERE.

You know you can be better. You know you can hit better golf shots. You know how great it feels when you make solid, square contact. You know you should be able to do that more often.

This isn't about a record score.

It's about being a **BETTER YOU**.

It's the satisfaction of accomplishment.

It's the thrill of better golf shots. That's the challenge.

Let us share the challenge

We're looking for golfers who want to get more fun out of their golf game.

Play 9-holes with us, and we'll show you the way to make golf the game you hoped it would be.
