

## EOGA Steenberg

A lot has been happening at our EOGA community since January!

At EOGA Steenberg, our dear coach **Matthew** was in a bad motorbike accident. Thankfully he will recover fully, but his leg was badly injured. He had to have surgery on his shin to re-attach 3 tendons and has been unable to coach since then. We wish Matthew a swift and easy recovery, we miss him too much!

Meanwhile, **Etienne and David** have been busy with coaching, from beginners to elites. We also have a new member at Steenberg, Rocky. He's there to help you release some frustration and acts as a target...

*Welcome, Rocky!*

Etienne and Murray have started coaching the **Western Province Girls Squad** at Steenberg. What a privilege to be a part of these elite girls' golfing journey!

## EOGA Arabella

We have some exciting news...

We have yet another new site to add to our growing EOGA family. We are so excited to be represented at the amazing **Arabella Golf Club**, situated in Kleinmond. Arabella is a very sought after resort with some of the most extraordinary views. It is one of the top ranked golf courses in South Africa, with pristine grass, tricky sand traps, and challenging water hazards.

With a new site comes a new coach - **André Loots**. André comes from Kleinmond (near Hermanus) and has been on the amateur circuit for 4 years before going into the coaching industry. André did his 3 year PGA diploma through Swingfit Golf Academy and ETA and is a fitness fanatic, passionate about golf. If you've met André, you will know that he loves people and easily builds new relationships through his approachable character and is a brilliant technical coach.

André is already a familiar face at Arabella as he did most of his training on this course. So, you can now enjoy your holidays in Hermanus, Kleinmond and Onrus and still continue your golfing journey with the best available coaching with EOGA.

## EOGA Milnerton

We are also very excited to officially welcome **Ryan Randall** as part of our EOGA family. He will be heading up the stunning Milnerton Golf Club site. Ryan is excited to cement the relationships with our Milnerton clients.

At the moment, you can benefit from Ryan's coaching at Milnerton on a Thursday and Friday.

We are very happy to let you know that if Sunday is the only day that you are able to get coaching, Ryan is available for bookings on a Sunday (exclusively at Steenberg Golf Club). EOGA is fully committed to your golfing needs, Monday to Sunday!

There are only a few slots available for Sundays with Ryan, so make sure to [book in advance](#).

## Some inspirational results...

**Boston Franks** won 2nd place at the Western Province U13 Invitational with a 82 while **Kieran Urquhart** (right) won first place at the Western province U15 Invitational with a 75 gross – won by 4 shots! We are so proud of these kids!

**Bella Parker** (standing with EOGA coach Etienne and her dad) just got invited to join the Western Province Girls Junior Squad. EOGA is privileged to host and train these young ladies at Steenberg. We count it as a blessing to be involved in the training of motivated talented young players, and to be part of their journey into elite golf.

**Jean Paul Strydom** (left with Etienne) took 2nd place at the Sunshine Tour, we are so delighted for him!

**Bobbi Brown** (right with Etienne) won the Club Championships at Steenberg. What an achievement at only 15!

## Growing the game

We have had a project in our pipeline for a couple of months and finally the time has come to launch it. We are excited to keep growing golf in South Africa and this initiative called **Target 36** is mainly aimed at growing Ladies and Junior Golf.

The goal of Target 36 is to play 36 shots or less over 9 holes with 6 target distances to complete. Each time a player achieves the goal from the specific distance, he or she will receive a Goal Achieved Dome for that distance. The players start at the 25m tee box and work their way up (50m, 75m until 150m). Once they've done the full Target 36 course, the players will be confident in their abilities to play on the course and join a club.

Each player will receive a bag tag similar to the one below, to acknowledge the goals achieved on the path of development.

Here are our **EOGA launch dates** for this exciting initiative. Thereafter, there will be one event a month and dates will be advertised at your club and on our social media pages. *Please note that the dates are not the same at all our EOGA sites.*
