Brrrrr...

Winter has fully settled in the Cape and we've had a few days of good rain. The greens have coped very well with the rain and the courses are in a beautiful state.

To accompany the colder weather our latest jackets have arrived from **Global Golf** and we absolutely love them! They keep our coaches warm, which is much needed if you take a look at this photo from Chalton of the Killarney Country Club in Gauteng. Yes you're seeing correct, it is frost on the course! The warm jacket is quickly becoming the favourite 'member' of our team!

EOGA Steenberg

Target 36

Steenberg keeps growing the game golf with the Target 36 initiative. The members that signed up a couple of months back are working through their target and are loving it.

Steenberg held another Target 36 event, but this time only for the ladies. **7 ladies** took part in the event and they played beautifully! **Ronell van Rooyen** (red cap) had 30 shots – besting the Target by 6 shots! Congratulations! That's a beautiful result!

What's coming up?

Looking ahead at the **school holidays**, David is having a clinic. Lots of days are available for you to choose from, lots of prizes to be won and lots of

EOGA Westlake

It's been busy!

Alec finished his program with the international school students. It was a really fruitful time and they've learnt so much with Alec. We're wishing them a wonderful winter break and are looking forward to seeing them again in spring!

Alec has also been busy with the **Muizenberg Junior school** as part of the development program. What a joy and privilege it is to nurture a kid and see him develop a love for a sport! These kids have loved being coached and have grown some great skills in this short amount of time! Watch this space for our future champions!

Don't put your game on ice this winter

EOGA Westlake is offering a special to keep you motivated to grow your golf even in the midst of winter. Book a playing lesson with our coach and keep working on those skills!

Worth a mention

Pearce Lewin, under tough weather conditions, came 2nd in the U15 A at the Western Province event at Clovelly.

Well done, Pearce!

Bobbi Brown, training hard and taking warm up seriously – even in 2 degrees!

Bobbi was training for the SA Women 72 at Maccauvlei Golf Club. Bobbi scored a brilliant 78 on the last day and her team placed 2nd!
