Find the correct impact position

Most of you know that your position at address isn't the same as your position at impact. Most of you are probably pretty sure of the correct address position (although you should always have it checked). But not so many amateur golfers can show us the correct impact position. Setup's important, but so is finding the correct impact position.

Spring is around the corner

...and we've got work to do

Do you want to shoot lower scores? Do you want a more consistent and repeatable golf swing? Is your short game killing your score?

No matter what your motivation is we are here to help you. With our fabulous indoor golf center there is no room for excuses - no matter what the weather.

All of these goals can be achieved through sessions in our simulator, with practice and coaching using ball flight and club analysis. You will have the opportunity to play your favorite golf courses while working on your course management skills.

30 Minutes \$75.00

1 Hour \$125.00

Group of 3 \$55.00 per person

Simulator price includes use of the simulator/teaching and coaching.
