Korean Haggles goes down well

Let's get social!

A big thank you to **Sean Ko** for organising a great day for our Korean members, with food and games upstairs afterwards for them.

This is a great way for members to make the most of our fantastic clubrooms and kitchen area, and to connect and socialise beyond just a round of golf.

A big thank you also goes to **Dan Collett** for his Bar work on the night.

A friendly reminder

SGM

Our Special General Meeting is taking place on the **16th September**.

Read more about the notice of motion for the SGM [here](#).

An important notice

Club AGM update

The club AGM incorrectly appears in our fixture book on the 24th November, when in fact is the **25th November**.

Please [contact us](#) for any further enquires about the Club AGM.

Men's Strokeplay

Who will have the winning stroke?

Men's Strokeplay round one takes place this **Saturday, 14th September** and round 2 is on **Saturday, 21st September**. It will be a two-tee start, with those teeing off on the 1st in round one teeing off on the 10th in round two and vice versa. There will still be a Nett haggle on both days.

The draw to be released by **Friday, September 13th**.

[Contact the Pro Shop](#) urgently if you intend to play and are not already registered for the draw.

From the course

We need you!

We have seen our volunteer numbers on the course growing, and we still welcome and need more of you.

Each Tuesday we run **Working Bee's** and if you would like to get involved in the improvement of our course.

If you have bar experience and would like to put your expert drink-pouring skills to good use, then join our volunteer programme. We'd love to have you in amongst the chatter at our clubhouse.

Please contact **Dirk Oberholster** at **021615198**, or **Ben Bowmar** at **0221048610** to register your interest.

Fitting for approach shot

Delivering a

BETTER APPROACH

When we fit you for new irons, we can add "distance" which means a shorter club. And using a club with a shorter shaft on approach shots leads to more accuracy.

Many club makers have identified 37 as an important point in shaft length.

Above that length and most golfers' consistency of contact starts to deteriorate rapidly. So allowing you to hit a 37" #7 iron rather than a 'longer' #6 iron is a big deal.

THE CLUBFACE – METALWOOD OR IRON –

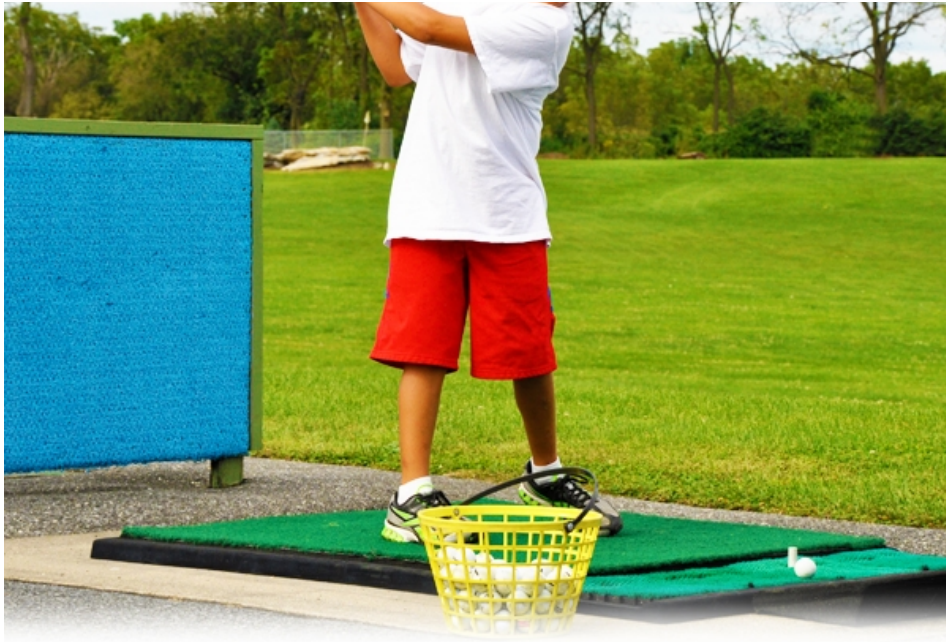

has been part of a materials and design revolution. New materials allow them to be thinner and faster. New internal design is supporting the next generation of irons to allow even more speed across more of the face.

Now improve your approach **Fall in love with golf**

Book an assessment with us now. Let us look at your swing and technique; your irons and how the technology helps you. Let us improve the number of magical moments you have on the course.

Make more magic >

MASTERING a skill is great for **SELF-CONFIDENCE.**

The boost, thrill, and growth we see in a child when they start to master a particular golf skill gives us tremendous fulfillment. As we start to see them fall in love with the game and find new connections with others on a similar journey, we know we're doing our job.

If we can do that, they'll be healthier, happier, and have a game and friends for a lifetime.

Sign your children up for one of our fun junior golf programs. We'll set them on the pathway to a lifelong love affair with the game.
