Swing fast and sure

First, TaylorMade twisted the face. Now, they've injected it with speed. The new M5 and M6 range hits the threshold of the legal speed limit allowed by the USGA and R&A. If you want to unleash your potential with a "spicy" driver while your buddies take their chances with another brand, don't miss our fitting day on **22 May 2019** from **10:00 - 14:00**.

Our pros and the TaylorMade experts will be there to help you find distance, speed and forgiveness off the tee.
