Cut 5 shots off your handicap

The quickest and most social way to improve your game... for FREE!

We'll accompany you and three friends over six holes, each testing your different skills. This will help to determine how you can slash five or more shots off your scorecard in the quickest way possible.

You will play six holes, and we'll focus on four particular skills:

1. Your ability to hit fairways off the tee
2. Your score on Par 3s and your ability to hit approach shots
3. Your control of distance and accuracy in the 40-90 metre range
4. Your mastery of greenside shots

At the end of the round you'll receive a quick 30-minute session highlighting the specific ways each of you can take 5-shots off your scorecard.

By the way, did we tell you this is **free** - Plus we will even buy the drinks during the session!

Contact us at ian@zwartkopcc.co.za / (012)654-1144 to book your round of accompanied play.

We'll agree on a **day** and **time** that works for you and your three friends to find out exactly what you have to do to cut 5 shots off your handicap!
