Good reason to drive by

Volkswagen Scramble

4th February 2020

We are holding a Volkswagen Scramble on the 4th of February. It is an open event played in teams of four and the winners go on to a regional final. The price is \$55 for members and \$65 for non-members, including a lunch afterwards with a presentation.

Are you looking to put your game to the test in 2020? Book your spot [here](#).

Your team. Your journey.

Learning and loving a lifetime sport

MyGolf Junior Program

Our MyGolf Junior Program is coming up soon on the **15th of February**.

"MyGolf is Australia's national junior introductory program to develop and promote participation in golf. An approximately 10 week introductory program to the sport, MyGolf is designed for 5 to 12 year olds and is the major driver of junior golf participation in Australia.

Through the MyGolf program, we aim to increase participation and engagement in golf by children, and provide a fun, accessible and satisfying introduction to the sport of golf by promoting skills development, as well as the social and fun aspects of the sport, to the wider community.

With over 650 centres around Australia, and more than 10,000 participants a year, MyGolf is the first step in what we hope is your child's love of the game."

So, if you're looking to introduce your kid to the wonderful game of golf, please [click here](#) for more information.

We are feeling lucky

Look how green our course is!

With all of the devastation of enormous bush fires both north and south of Sydney, we are so lucky to be one of the greenest golf courses in Sydney. We have a license for three bore holes across the course that have allowed us to keep our course in amazing shape in this extended period of drought on the east coast of Australia.

Our greens staff have also worked tirelessly to maintain the course in what can only be credited as championship quality. If you haven't been down to the course recently, come and see for yourself!

New irons now?

It's not just

**TECHNOLOGY
THAT HELPS**

If you're over 50, while logic says age must be slowing you down, technology is changing the game for you. You can hit higher and longer iron shots with less requirement for the strength of youth. A note of caution: you do want accuracy.

Many golfers live with relatively poor accuracy with anything over a #9 iron. They believe that it's their own swing that lets them down. But too often, it's an incorrect lie angle that causes the face angle to twist when the toe hits the turf first. This tilts the spin axis of the golf ball. The ball goes right.

YOU'VE GOT LESS THAN AN INCH TO GET THIS RIGHT

During less than an inch of the contact zone, the sole needs to be square to the turf. A fitted iron makes that possible. And the result is a much better and much more accurate ball strike.

Could you be getting better?

Don't settle. Golf has so much more to offer each of you. Technology that makes you longer, with a fitting that makes you straighter, means your best golf is ahead of you.

Act on your feelings

We all stand over 145-metre approach shots with hope, but that hope can be quickly traded for acceptance if shot after shot is far from perfect. And acceptance is a threat to the flame of our desire.

If we want to sustain hope; if we want our flame of desire to burn bright,
then we need to take action. We must take action.

FAN THE FLAME AND COMMIT TO ACTION

Think about what it would take for you to more frequently experience the joy of perfection from 145-yards. What would it require from your game. Playing more regularly? Some practice? Fitted irons? Improved technique?

Fan the flame best action

The best starting point is an  in match your desire with a plan of action.
