### Make golf a habit in 2020

Apparently, we don't really commit to "resolutions" anymore. We're supposed to develop "good habits".

OK, then how do we inspire you to make regular golf a habit then? There are two ways that have nothing to do with the golf swing:

- Just getting out and walking and playing golf is a major health benefit. We're not trying to sell you on extra four years added to your life. We're trying to sell you on the basis that 'you'll feel better now!'
- Connections. The world needs more real, physical, social connections. Being with friends. Making new friends. Being a support to someone else. Enjoying the support of others. When people are together the world is a much better place.

## New irons now?

You can hit a

**BETTER  
APPROACH**

If you're passing your mid-fifties, then you might think that your best golf is behind you. But, in fact, you probably have the advantage of a smarter, cooler mind.

*Why not add to that wisdom, the belief that your best golf is ahead of you. Technology certainly makes it possible to believe you can hit better approach shots than ever before.*

Innovation in materials and engineering have allowed the designers of irons to construct heads that launch the ball higher from stronger lofts. Your #8 iron has a stronger loft than before (and therefore goes further) but launches as high (even higher) as previous #8 irons.

While you expect to be losing some distance with age, technology is now adding distance while retaining control.

### **Could you be getting better?**

Don't settle. Golf has so much more to offer each of you. Especially if you determine that you're going to play better golf in your immediate future. Iron technologies are changing the game. Would they help you? Come and chat to us.

**Act on your feelings**

# *How much do* **YOU WANT IT?**

*One act, two different feelings. The act is a 145-metre approach shot. Let's assume you're here courtesy of a drive that's found the middle of the fairway.*

With perfect contact, there is a visceral sense of joy at being at one with the game; that extends into satisfaction as the ball flies high and true; and then completes with a sense of accomplishment.

But first, there's "craving". How much do you want that feeling of joy, satisfaction, and accomplishment? If you want it enough, you'll take action.

Without action, there is only acceptance. Make 2020 a year to deliver on

your desires. To ensure delivery, please add [bloemgolf@greensidegolfer.retailtribenews.com](mailto:bloemgolf@greensidegolfer.retailtribenews.com) to your
