

## On the tee with Trevor

### Welcome Richard!

We have a new addition to the Bloemfontein Golf Club Team.

**Richard Maree** is 26 years old and started working in the Pro Shop in December 2019. He is also currently busy with his 3rd and final year of his PGA Diploma, under the Mentorship of Quintin Williams.

During his schooling career; Richard was awarded on numerous occasions as Golfer of the Year. Currently, he has a handicap index of + 3.2 and his career low round was a 62 here at our club.

We all wish you the best of success, and it has been a pleasure working with you.

### What an exciting weekend of golf last weekend!

The co-sanctioned event, the **Tour's Limpopo Championships**, saw our big guns, **M.J** and **Wilco** keep the Bloemfontein's Golf Clubs flag flying high.

M.J was 6 under after 54 holes and made 78 in the final round, finishing level for the tournament. What a great effort!

Wilco finished on 17 under par and second place overall.

Congratulations to you both, and thanks to **Quintin** for the updates ever 15 or so minutes on Sunday afternoon.

**Unlock extra distance**

*Increasing your ball speed by just 1mph adds two metres to your driver shot.*

- *Short in the* **HAZARDS**
- **TWO METRES EXTRA** *in the clear*

Two metres could be the difference between landing on the other side of a water hazard, or in it. It could be the difference between the light rough and the heavy rough, or the lip of a fairway bunker and the short, firm grass right next to it.

### How many metres can we add in a single fitting?

There are many factors to consider when fitting a golf club, including adjusting to your swing speed, weight. Also, we'll look at things like your angle of attack and dynamic loft.

Why don't you  
**join us for 9?**

**Come for a fitting >**
