### **Unlock extra distance**

As much as we may not want to admit it, there's only so much we can do about our golfing ability. But we can always avoid simple fitting mishaps that rob us of metres.

Get every metre you're capable of

Two common mishaps are playing with a loft that launches the ball too high, and a shaft/head that generates too much spin for your swing speed. And many golfers often aren't even aware it's a problem.

#### No metre untapped

Once we know your swing characteristics, we can fit you with a loft and shaft that's going to make it easier for you to launch the ball further down the fairway.

### Four reasons why

Accompanied play isn't a 'lesson'

We're looking to book 9-hole accompanied play with golfers who might not be as experienced or committed to the game.

We don't want to "give" you a lesson. But sometimes, while we're enjoying a fun time out on the course, the smallest change or simplist insight, helps to make golf a great love affair.

#### Want to play 9 with us?

If you'd like us to reach out and see if we can schedule 9 holes with you (and perhaps a couple of other members), then please let us know.
