Greetings from Paul and Steve

Welcome back to our latest newsletter

As the Coronavirus begins to shutter much of the sporting world, as well as the majority of our social gatherings, we wish to assure you that our business will be running as usual. However, we have taken the necessary precautions, as per government regulations, in order to protect you and our employees.

We are dedicated to complying with the highest standards of sanitation, across all touch-points of our services. Our greens are looking lush, on account of the good rains we have been having – this comes as great news for our recreational golfers. Schools are temporarily closed with efforts to curb the scourge of COVID 19. This is the perfect opportunity to encourage kids to participate in safe sporting practices. We have taken the recommended measures for their safety, such as disinfecting the clubs and balls beforehand, as well as placing sanitizers all around our facility.

Our young stars are shining bright

Golf news

Create small moments of happiness

But the golfers play on – they don't seem to be affected as much, as they are incorrigible. Our **Junior Clinic** continues **every Saturday** morning. Rest assured to the parents, that we are exercising caution. Due to the fact that golf is a solo game, this should sit well with parents.

Our **Corporate Golf Membership specials** are still on. While travel is limited at the moment, take this time to network locally with a game of golf.

Please contact our marketing team at marketing@bluetreegolf.co.bw or Excel Golf for our weekly golf activities.

Restaurant

Where the food is as good as the people

We believe that our restaurant is still the best in town, for a great meal and even a special event. We are regularly disinfecting surface tops, kids play areas and taking into consideration the required numbers for gatherings, as well as the correct spacing in between. We can tailor-make your event to suit your needs. Come and speak to us for your next event. We are well known for our affordable event prices.
