

It's going to be a trip to remember

Enjoy a holiday of golf with us in 2020

Dear Member,

I am pleased to announce that our annual member golf trip will take us to the iconic **Pinehurst Resort** in North Carolina this October. The trip dates will be **October 8-11, 2020**. Pinehurst has hosted more Championships than any other golf course, including three U.S. Opens in the last 20 years, and is also scheduled to host the 2024 U.S. Open on the legendary Course #2.

We will be playing Course #8 on our arrival day, followed by Course #4 and Course #8 again. Our final day at the resort will have us play Course #2. In addition to the morning golf rounds, members will be able to replay in the afternoon, or play the newly designed Cradle Short Course. Our accommodations will be at the historic Carolina Hotel, located in the heart of Pinehurst.

Listed below is our complete itinerary outlining our schedule of events, replay round options, group dinners, cost of the trip and other information. All members are welcome to attend and may invite one guest to join them on the trip. Reservations will be taken on a first-come, first-serve basis and

we there is limited space available based on the number of rooms we were able to secure. Based on our previous trips, I anticipate this trip filling up very quickly and will start a waiting list once the group has been filled.

If you would like to sign up for the trip, or if you have any questions, you must email kyle@glenviewclub.com. The deadline to sign up will be **January 30th**. I hope that you will be able to join me at one of golf's fastest growing resorts and look forward to your reply.

Act on your feelings

How much do
YOU WANT IT?

One act, two different feelings. The act is a 145-yard approach shot. Let's assume you're here courtesy of a drive that's found the middle of the fairway.

With perfect contact, there is a visceral sense of joy at being at one with the game; that extends into satisfaction as the ball flies high and true; and then completes with a sense of accomplishment.

But first, there's "craving". How much do you want that feeling of joy, satisfaction, and accomplishment? If you want it enough, you'll take action.

Fan the flame

Without action, there is only acceptance. Make 2020 a year to deliver on your desires.
