I know that it's hard to believe, but it's that time of year for the **Titleist Loyalty Rewarded** promotion. This is always a great email to send out because it signals that the golf season is not that far away! Titleist is offering their Pro V1, Pro V1x, and AVX golf ball promotion, where you **Buy 3 Dozen and Get 1 Dozen Free**. This is a great way to stock up for the upcoming season and get your golf ball personalized for free. To take advantage of this offer and have your golf balls in the initial shipment, please reply to this email.

As a member of the Titleist Leadership Advisory Staff, I can submit orders two weeks early, starting on March 5th. These initial orders will be delivered by April 1st, and the golf balls will be placed in your locker and ready for the upcoming season. All orders taken after March 5th will be sent every week until the final order date of April 19th and will ship in approximately five weeks from the order date. The two options that are available this year are [listed here](#). In addition, anyone who wishes to get yellow golf balls may do so under both options.

I'm looking forward to a great 2020 golf season and am excited to see everyone back out at the club in a couple of months! [Let us know](#) if you have any questions.

## Get ahead of the game

**Are you getting the most out of your irons?**

Modern irons are making it a lot easier to hit the ball further and straighter. Whether it's thinner faces for ball speed, multi-material heads for launch, or clever weighting for forgiveness, the technology to help you play better golf is out there.

*Are you taking advantage of technology?*

**Get fitted >**

### **For tech to work best, it needs to fit you**

Are you playing with the right shaft weight? Is your lie angle correct? Are you squaring the face consistently at impact? Knowing the answers to these questions enables us to set you up to hit more solid iron shots, more often.

**Better iron play >**

## **Practice with purpose**

### **What skills could you improve today?**

To add more value to your range sessions, choose a skill to be your primary focus for the day. It's more valuable than plowing through 100 balls with your driver and #5 iron. It gives your practice more purpose.

---

*Is it hitting more shots on line?*

---

*Is it being able to hit fairway woods consistently off the deck?*

---

*Is it control of distance with your wedges?*

Which part of your game most needs improving and will have the biggest impact on your enjoyment and scorecard?

We're here to help you.
