

## On the tee with Trevor

Dear Club Member,

The Committee of The Bloemfontein Golf Club has decided to employ the services of Mark Wiltshire Golf Management Company.

With the implementation of workable and realistic solutions in these tough economic times, this will assist in ensuring long term sustainability of The Bloemfontein Golf Club.

### Covid-19 Protocols

Listed below is the criteria that needs to be met by the Club as well as our Membership, in order to comply with the regulations as set out by GolfRSA:

- **All Staff and Members** will be temperature screened on arrival, and will be required to complete the registration form.
- **Preferred source of payment** are Credit/ Debit cards, EFT's can be done, payment must reflect prior to play.
- **Tee-time bookings** can be done with the Pro Shop (051/ 4470906). We are in the process of implementing the online booking system.
- **No alcohol will be allowed** and sold during this time.
- **Only four players** will be allowed in the Pro Shop at any given time, Social distancing must be adhered to, and masks are to be worn.

- **The men's and ladies toilets will be open for use**, the rest of the clubhouse is closed.
- **Any player over the age of 60**, will need to sign an indemnity form prior to playing.
- **There is a grab-and-go available** at the halfway house.
- **Players must leave the premises within 30 min** of completing their round, no gathering allowed as per the regulations set out.

## Book your tee time online

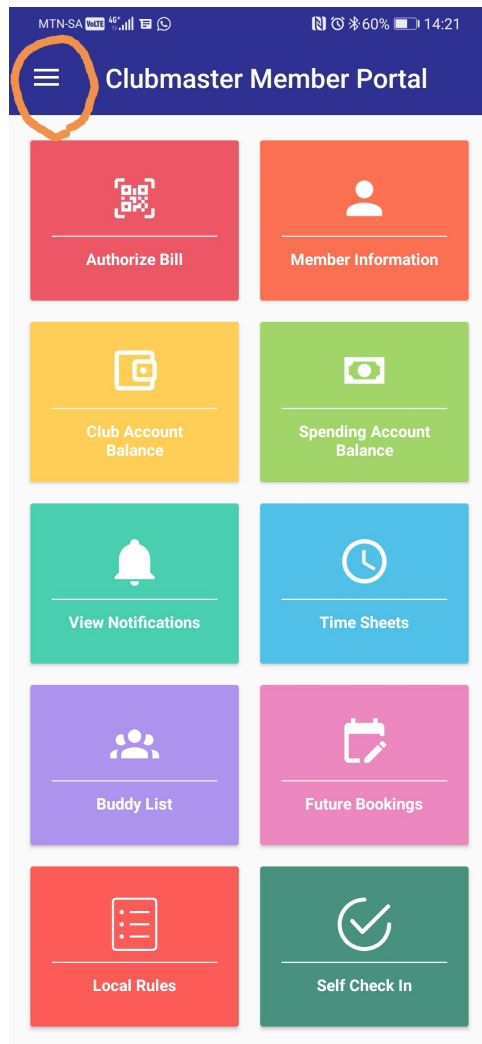

You can now reserve your tee time from the comfort of your home!

## No more three-putts.

*How good are you from a distance?*

Knowing you can comfortably handle long putts takes the pressure off needing to land your ball close to the flag on approach. When you're able to consistently two-putt from distance, your golf experience is transformed.

### Try this fun benchmark game

Find ten different 25-foot putt locations on a practice green to the same hole. See how many of your ten putts you get within 2 feet. We think most golfers will be in the 3 to 5 foot range. But we can get you closer, so you can two-putt with ease.

**Lie angle**

*When your lie angle is out, consistent ball striking becomes very difficult.*

### **Arc**

*Straight back, slight arc or strong arc? We need to ensure the putter you're playing with works with you.*

### **Tempo**

*A consistent swing tempo takes the guesswork out of putting.*

## **Eliminate three-putts**

Better putting means more holes completed with the satisfaction of a solid two-putt or even a birdie. Let's schedule a session on the putting green and work on getting you closer from distance. In the meantime, we can give you some drills to do at home.

## **Is "Putt for dough" relevant?**

*"You drive for show, but putt for dough"* was a saying that used to have some relevance to tour professionals and the highly competitive. It's a lot less relevant to them now (as proven by the big-hitters at the top of the money list) but was it ever relevant to the regular golfer?

*Sure, there's an elation when a longer putt drops or even a shorter putt that allows you to mark down a birdie on your card. But, out of 18 holes, how many are ruined or made much more difficult by your tee shot? How many times did you leave yourself woefully short with a mishit, or find the red zone of "lost, out-of-bounds, or an impossible shot"?*

*Building consistency off the tee, while finding ways to go further, will open the pathway to better scores AND more holes you enjoy.*

## **Change the game**

When did you upgrade your game from the tee? If you're competitive, then significantly reducing the distance to the hole on your 2nd, changes the game. If you want to explore 'further'
