Then, Sunday morning came and the rain was gone. For the strokeplay, the course was set up very neutral, with tees moved back on 5 and 7 only. Most courses probably wouldn't even change the pin locations and the tees would remain the same for the matchplay. Not here! **TK** threw in a proper twist. Instead of changing the pin placements, he left them the same and moved the tees to a "feast or famine" matchplay setup. Picture the changes – moved back at 2, up at 3 (reachable in 2), back tee at 4 to a far-right pin (ouch), up at 5 (drivable), club tee at 6 and 7, then up at 8 (drivable), and back at 9, proper!

On to the back nine and the tips on 10, up at 11 and 12, tips at the par-5 13th, and a new tee at 14, moving from the short left tee to the club tee on the right, 15 and 16 played from the club tees and 17 went from front to back.

Then, 18 (the 9th for some) played from the back of the second tee. The setup produced fireworks and some big wins for the bravehearts who pulled off their shots. Kyle won both matches convincingly, and get this, eagled the 13th with a driver and an 8-iron from the back tee. Tiaan vd Bank and JP vd Watt both started and attacked the back nine, both going out in 30 gross. I don't think our defending Club Champion, Boetie Zietsman, knew what hit him. After going down 9 and 7, he rebounded in the plate and will play on next weekend. Defending Champion, Pieter Zietsman, lost in 21 holes with great support from a number of our members following.

On Saturday, we will start with the quarter-finals in each division and the semi-finals in the afternoon. Sunday, the winner of the Matchplay final and the Plate final will be determined over 36 holes.

### Help them remember

Golf is healthy too

The good news is people are now much more aware of the need to invest in their health. They're going to the gym, running and biking. Smart watches that track steps and heartrate have replaced regular wrist watches.

But what many people don't realise is that playing a round of golf burns up to three times more energy than running five miles. Sure, it might take longer, but it's a lot more fun. It's also more social. Golf is good for body and mind.

#### Get them back into it

Have you got a friend, colleague or family member who has forgotten the positive influence golf has on their health and life? Let's schedule some time at the club together and help them remember.

The average golfer hits 3 to 6 greens in regulation per round. That means up to 15 holes per round will probably require a wedge shot within 40 metres. That's why it's good to get into the habit of regularly playing 9 holes of 40-metre golf.

Try not to complicate the opening pitch shot on each hole. Your target is to complete the 9 holes in 27 shots.

Celebrate every time you get 24. More experienced golfers should really be looking to score from this distance. Their target is to get through in 24 shots, or less, over 9 holes.

How far under 27 could you go?
