## Greeting from the Westlake Pro Shop Team

**Spring has sprung!**

*Even though the weather is not playing along*

Wow, we sure are experiencing the Cape in its true nature this past few days and the days to come.

We are still running a **less 35% on selected clothing** in the store to help keep you warm and comfortable on the course. Please pop in and allow us to help you shop.

We have some fantastic **Rhode Island shirts** on sale, starting from as little as R199.95 per shirt. The best part about these shirts is that they have the Westlake logo so you can show off your club with pride wherever you go!

We also have some awesome **adidas shorts** (only size 40s for some strange reason). These are also on sale. They were R995.99 and have been reduced to a very low **R499.95!**

Limited stock available so get your now to take advantage of this great offer!

### Speaking of the weather...

Please remember to check your **spikes** in your golf shoes during this wet and slippery time. We don't want your feet slipping and sliding around when you swing. If they are worn, we have stock in the shop you purchase

them here and we fit them as part of the package.

**Grips** too, old worn grips are slippery and affect your shots. We have a great selection of grips here at the shop which we can happily replace for you. Again, you purchase grips from us and we fit them for you as part of the price.

We wish you all a fantastic week ahead and trust you will stay warm and dry.

Kind regards,

**The Pro Shop Team**
