THE GOOD LIFE

On the Course | Off the Course

MEMBERS AND GUESTS

It is important to keep members and guests informed as we see the second wave of Covid-19 cases rising and impacting on all households and businesses. The Club has not been unaffected as we have received numerous reports from members about positive cases, after self-isolating. We have also seen positive cases amongst the staff during this last period, which was dealt with, as per the Covid-19 regulations, and Club policy. The Club will continue to put all measures in place to sanitize the Club, but we need each and every member, guest and staff member to do their part. Please wear masks at all times when walking through the Club, especially in halfway house before you dish up. Masks may only be removed once you are seated or on the tee.

Dear Member,

SATURDAY UNITY FUND GOLF DAY

We would like to thank all our members for the great support. Unfortunately, mother nature disrupted play, as we had lightning from 13h30 until 15h15. The competition was cancelled for the day, but we will carry over the prizes to this coming Saturday. Our members managed to raise over R15 000 and we cannot thank you enough for all the support. We would also like to take this opportunity to thank everyone who contributed with prizes for the Unity Fund Competition – we managed to secure prizes to the value of over R30 000. The prizes include Hotel accommodation, fourball vouchers from Eagle Canyon and Bryanston, Spa treatments, WellPutt Training Mat, PowerBlast vouchers, golf goodies from the Golf Shop, just to name a few.

LOAD SHEDDING

Over the last couple of days, we did experience load shedding in the Randpark area. The load shedding does affect each and every one and this includes certain areas and services throughout the Club. Our team will always do everything in our power to ensure we deliver the best possible experience at all times.

HISTORY IN THE MAKING

What are the chances ... Angie Adams and Jeanne de Power made Randpark proud yesterday with two holes-in-one on the same course, same day, same league game (against Jackal Creek)! Congratulations, Angie and Jeanne!

DRIVING RANGE OPERATIONAL HOURS

Please note the new operational hours for the driving range in effect from Monday, the 25th of January:

- Mon: Open: 11h00 - 20h00 (Last bucket will be sold at 19h00)
- Tue – Fri: Open: 06h30 - 20h00 (Last bucket will be sold at 19h00)
- Sat & Sun: Open: 06h00 - 20h00 (Last bucket will be sold at 19h00)

PREFERRED LIES

Purpose: When occasional local abnormal conditions might interfere with fair play, the affected parts of the course can be defined as ground under repair. But adverse conditions such as spring thaws, prolonged rains or extreme heat can sometimes damage the course or prevent use of heavy mowing equipment.

When such conditions are widespread on the course, the Committee can choose to adopt a Local Rule for "preferred lies" (also known as "winter rules") to allow fair play or help protect the fairway. Such a Local Rule should

be withdrawn as soon as conditions allow.

*The use of this Local Rule outside the fairway in the general area is not recommended as it may result in a player receiving free relief from areas where a ball might otherwise be unplayable (such as in areas of bushes or trees).

****This rule has been modified due to current Covid-19 regulations. In an event of heavy rain on the day or the night before the Golf Manager on duty can apply a local rule to have preferred lies in the bunkers on the day. All information will be available on the day with the manager on duty and the starters on the courses.***
