## PGA REACH NENY Foundation Establishes Scholarships

In an effort to recognize NENY PGA Junior Tour members and to assist them with their higher academic goals, the PGA Reach NENY has established two (2) scholarships of \$2,000 each to high school graduating seniors in the memory of Doug Evans. All eligible junior tour members have been notified electronically of this opportunity and provided an application link.

Applicants must be members of the NENY Junior Tour for at least two years and attending an Educational Institution (University, College, Community College, Technical Program, or Certificate Program) in the fall of 2021.

The PGA Reach NENY and the NENY PGA Junior Golf Committee teamed up to promote the Doug Evans NENY Junior Tour Memorial Scholarship. Doug Evans passed away in the fall of 2020 and served as the NENY PGA Section's longtime Tournament Director & Assistant Executive Director. He was incredibly well respected among the NENY PGA Member Professionals, the local Capital Region Amateur golf community, and from all NENY families and juniors, having served the section and local golf body for just under two decades. Doug worked tirelessly on behalf of his fellow professionals, and one of his passions was serving and conducting the Section's Junior Golf Tour for our local families and junior competitors. He had an incredible way of sharing his knowledge, prowess for the rules of golf, and always an encouraging message to each junior. In 2021, the NENY PGA Section also established a Special Award to recognize the impact one individual has on our PGA Section - titled the "Doug Evans Distinguished Service Award."

The NENY PGA Section, along with Doug's family, Hilman Evans, and his sister, Cyndi Osborn & family, join together to keep Doug's memory alive with an endowed scholarship fund created from the proceeds of an annual NENY PGA Memorial Family Cup and other contributions.
