## Champions Cup Presented by Rolex

Sanger's win of the Tour Championship was enough of a points swing to bump him into the first place standings of season long ROLEX Champions Cup Points race and to take home the \$1,650 in first place prize earnings.

The ROLEX Champions Cup is a season long competition geared towards the top 20 players from the ROLEX Player of the Year list who have paid entry with a player of the year payment which offers complimentary entry to the Tour Championship and then utilizes a reset points system along with points earned based on their finish in the Tour Championship for an \$11,000 prize payout to those players.
