

## From the Founder's Desk

### A new champion has been crowned

My predictions for **Lee Westwood** and **Bernard Langer** in the Masters didn't do them any favours, but nonetheless, it was a fantastic result in the end for **Hideki Matsuyama** and global golf. The humility he showed in victory was wonderful to see, as was the gesture of respect to the course by his caddy on the 18th green.

## Tournament Results

### The next generation of golfers

Massive congratulations to mental coaching client, **Ryan van Velzen** on claiming his maiden professional win in the Bushveld Tour event at Parkview last week. The victory came just two days after turning professional. Ryan posted scores of **69, 63** for a **12** under par total over **36** holes. Great work by BSI's Mental Coach, **Mark Fairbank** in helping Ryan to succeed as an amateur and now in the transition to the professional ranks.
