BSI Tournament Results

**The numbers tell no lies.
Hard work pays off!**

Congratulations to PGA Diploma student, **Mangezi Maswanganyi** on winning last week's Premier Medal with a score of 75 in windy conditions on the East Course at Royal Johannesburg & Kensington GC. Mangezi started with us back in January 2020, opening his tournament account with rounds of 89 and 87. Through hard work and the support of the BSI coaching team, he's made excellent progress so far.

Not Just Golf

Former Man Utd Coach joins BSI Football

We are pleased to announce that **David Thorpe** will be joining the BSI Football family as the **Head of Football Development**.

David's international and local football experience will help accelerate us forward towards our vision. He has previously fulfilled roles with Manchester United, England University, Boston United, Lincoln City Football Club, TUKS

Football Academy, Black Aces Football Academy and has experience coaching in the USA and UAE as an international coach for some of the above-mentioned clubs. This wealth of experience will prove invaluable in creating an environment in which our players can excel.

Many of our students join with the ambition of playing in Europe's top leagues. David's experience within those structures is a massive coup for BSI Football. We are excited for him to start as the Head of Football Development. David will also be the Head Coach of the U23 squad for 2021.
