PGA Diploma Assessment Week

Loving and learning all things golf

Last week was mid-year assessment and exam week for our PGA Diploma students. Our 1st and 2nd-year students were busy with written exams, while our 3rd-year students had both written and practical assessments, as they need to show real-life competence to prepare for their future career paths. Below are images of the custom-fitting practical they had to complete, having been trained by Srixon's Tour Custom-Fitter and BSI Graduate, **Alfred Sutton**.
