

NENY PGA Section New Hires

Sports Marketing & Communications Intern - 2021

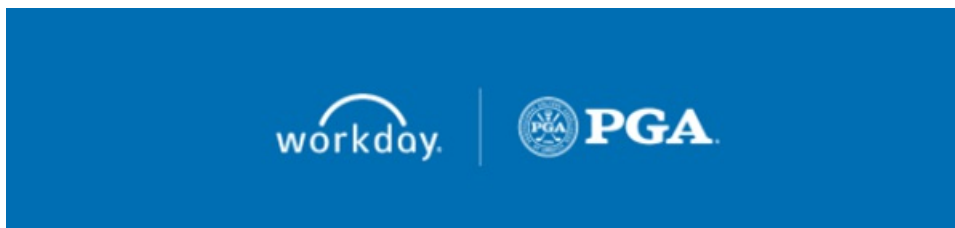

We're thrilled to share the news that the section has hired a Sports Marketing & Communications Intern for the 2021 summer season. **Josh DeMattos** is from Queensbury, NY, and you will likely see him at NENY PGA Section professional, junior, and foundation-related events, so be sure to welcome him!

Josh is currently a rising Junior at Emerson College in Boston, studying Sports Communication with a minor in Public Relations and Graphic Design. Prior to attending Emerson College, Josh graduated from Queensbury High School in 2020 and was privileged to be dually enrolled at SUNY Adirondack, where he studied New Media Arts and Design for two years.

Josh hopes to gain experience in sports communication, public relations, social media strategies, and design. He is delighted to be learning more

about the business aspect of sports and will focus on streamlining, reporting, and designing for the Northeastern NY Section PGA. In his spare time, Josh enjoys watching and participating in many different sports. He is a former Defenseman for the Clifton Park Dynamo, USPHL Hockey Team, and is currently a defenseman for the Emerson Lions Lacrosse Team.

After college, Josh plans on working for a sports franchise where he can continue to show his love of sports. He is extremely excited and grateful for the opportunity to grow his skills this summer during his internship, and we're equally thrilled to have him.
