Ultimate Golf

A race to the pin: no waiting for the opponent to take their shot

Ultimate Golf approached us a few months ago to feature Firethorn and Bushwillow as part of their free 3D golf simulation games. They currently feature real golf courses from Wolf Creek Golf Club, Temple Terrace Golf & Country Club, Fairmont Banff Springs and Harbour Town Golf Links for a world golf tour in stunning 3D.

We are proud to announce that 9-holes of Firethorn is now part of the exciting feature, with the remaining 9-holes and Bushwillow to follow shortly.

Key features:

- Real-time, synchronous play
- Unique Golf Royale mode — race to the pin vs up to 20 players
- Professional golf equipment — kit yourself out like a golf king
- Console-level, with stunning 3D graphics
- Realistic physics for a perfect golf simulation

Below are some images of the 1st and 2nd hole of Firethorn. [Click here](#) to see a playlist with a flyby of the 9 Firethorn holes that are currently in-game.

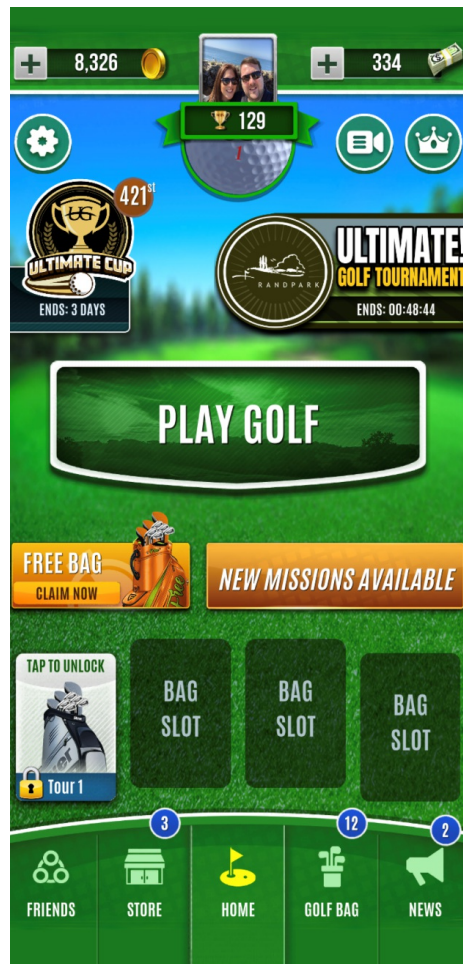

Watch this space as this very exciting venture unfolds!

You can download the Ultimate Golf App from the [Google Play Store](#) or [Apple App Store](#).
